

NEED FIVE MORE FOR FALLS TRIP

To date, approximately 25 have signified their intention of visiting Niagara Falls by bus on Sunday, June 1. The trip, which will include sightseeing and a visit to the school for nurserymen and horticulturalists at Niagara Falls, is being sponsored by the Newmarket Horticultural society.

To make the trip possible at least five more passengers are needed. A larger bus can be chartered if a greater number wish to go. All planning on taking the bus trip are requested to contact Bill Fish, phone 1407, not later than Friday, May 30. Fare is to be paid after five o'clock tomorrow night to Mr. Fish.

The bus will leave the Newmarket terminal at 10 a.m. on Sunday, returning in the evening after the day at the Falls.

VAGRANT PIG HOLDS UP STREET TRAFFIC NO CHARGES LAID

Traffic was held up on Eagle St. by a vagrant this morning, near Ferg. Taylor's service station. The vagrant was a good sized hog running around in the middle of the street.

At press time the pig could give no identity or permanent address. It is believed that it jumped from a truck.

There were no charges of vagrancy laid by Newmarket police but the North York Humane Society, now on active service in Newmarket, was called in to take the pig into custody.

DRAMA MEETING

The Newmarket Dramatic club will hold a general meeting on Tuesday night in the town hall at 8 p.m.

W.C.T.U. MEET

The regular meeting of the W.C.T.U. will be held at the home of Miss L. Starr, 93 Prospect St., on Tuesday, June 3, at 3 p.m.

Know Farm From Air? Lucky Photo Quiz Starts In Era Soon

There are going to be some lucky farmers in the Newmarket-Aurora district during the next few months. Their names will be revealed from week to week through the Era and Express feature which starts shortly under the name of "Lucky Farm Quiz". This is how it operates:

An aerial photographer has been engaged to fly over the Newmarket-Aurora trading area and take photos of a number of farms and one of these pictures will be published each week in a special page. Surprises are in store for the farmers who identify their properties.

All he or she has to do is to come to the office of the Era and Express and receive one dollar gift certificates from the merchants of Newmarket, Aurora and district who are co-operating in the feature. The lucky one will also receive a framed copy of the picture which has appeared in the Era and Express.

The lucky farmers don't have to buy anything and there are no strings attached to the "quiz". On coming to the office, the claimant will be asked to provide a brief history of the farm and its buildings if possible and indicate how long the farm has been in his or her possession. As soon as the winner is known, his or her picture will be published together with a brief sketch of the owner and the farm. With each new farm picture published, the previous winner will be announced. In all, there will be 26 farm pictures published during that many weeks the "Farm Photo Quiz" continues.

The Era and Express gave the aerial photographer a free hand to take farm pictures wherever he desired in the Newmarket-Aurora trading area and we won't know the owners until they are identified. The pictures will be taken in the area covered by the paper, as far south as King City, west to Schomberg, east to Mount Albert, north to Sutton.

This is something which, we are sure, will interest the farmers and the rural readers who pride themselves on being able to identify almost any farm in the district.

As the "Farm Photo Quiz" continues, we feel sure that the whole community will be helping in the identification of the lucky farmers.

AURORA VOTE RESULTS REACH "NO" CAMPAIGNERS

Aurora answered the question of whether it would have liquor and beer stores Tuesday with a definitely expressed "No". A record vote made returns late on Tuesday evening and members of the campaign committee opposing the liquor outlets are seen as the final returns came into the cast their ballots. For a liquor store, 1,079 voted no and 846 voted yes. For a beer store, 1,065 voted no and 863 voted yes. Left to right seated are, Don Glass, secretary, at telephone, Mrs. J. E. Buchanan, Royal F. Moulton, Ontario Temperance Federation field worker and Francis Cook. Both sides conducted campaigns.

POOL ROOM SOLD

Mrs. Fred Crawford has sold the pool room on Botsford St., Newmarket to Harvey Bell, Toronto, who will take over on Monday. In reporting the sale, Mrs. Crawford expressed gratitude to all those who had patronized the business in the past and asked their continued support of the new proprietor.

PREPARE PUPILS FOR HIGH SCHOOL

J. W. Lockhart, principal of Newmarket-Sutton Area high school, addressed a gathering of the Newmarket grade eight pupils and their parents in the high school auditorium on Friday, May 23. Sponsored by the Newmarket Home and School association, the evening is an annual event.

Mr. Lockhart explained to the youngsters what courses would be available to them at high school. He told how the classes were arranged and how the students should select their subjects. During the social hour which followed the program the parents and young people had an opportunity to talk with the speaker and obtain individual counselling.

Mrs. Ray Holbrook convened the program and thanked the artists. Mrs. Clarence Curtis thanked Mr. Lockhart on behalf of the parents present. On the program were vocalist, Gene Garrett, who was accompanied by Mrs. Reid Atkinson, Wayne Wench and his piano accompanist, and pianist, Martha Carr. Miss Gardiner's home economics class modelled blouses and skirts they had made during the year. Refreshments were served by members of the association.

OFFICE CLOSED

Dr. Lovell Hewitt is leaving Newmarket this weekend on a month holiday. His dentist's office will be closed during that period until July 2.

LANDEN DANCERS RECITAL MONDAY

The mothers of the children taking part in the second dancing class recital, by the pupils of Mrs. Wm. L. Landen of Aurora, are busily putting last minute touches on the costumes. This year's performance will be even more colorful than last year. The town hall in Newmarket will be the scene of the recital again and it will be held Monday evening, June 2, at 8:15 p.m.

Tiny tots from the age of four to young ladies of 15 will take part in this exhibition of ballet, toe and tap dancing.

One of the highlights of the evening will be given by the little beginners' ballet class and Sheila Bain of Newmarket will be the singing and dancing soloist. Another lovely number will be a 30-minute ballet written by Mrs. Landen entitled "In the Land of Make Believe". Children from Bradford, Newmarket, Aurora, Oak Ridges will take part. Donna Hand will be one of the waltzing French dolls and will participate in a toe dance which is also a part of the ballet. Donna is from Newmarket and has been dancing for three years.

Two more performances will be presented of this recital in Bradford on June 6 and 7 in the town hall and these performances are being sponsored by the Women's Institute. Tickets for all performances may be purchased from the children of the dancing classes or members of the organizations sponsoring the recitals.

Three Day Newmarket Art Show Introduces Many New Painters

The Newmarket Art club held its spring exhibition of paintings and drawings in the Newmarket town hall on May 16, 17 and 18. It was officially opened by Reeve Arthur Evans who was introduced by the club's president, William Hopkinson. Over 400 signed the guest book during the three-day show.

The exhibition included the work of 17 local artists. Three of Ross Hugo's water colors were hung "In Memoriam". Some of the members are teen-agers, among them Marion and Margaret Winter, who had not celebrated their sixteenth birthdays, while others in the show have over 50 years of painting experience to their credit. R. A. Cawthra, 82, was the senior contributor.

The show included 130 pictures, oils and water colors. There were a few pastels and pencil drawings. Among those exhibiting were Duncan Beattie, Dorothy Bowman, Balfe Bradley, Henry Burnham, Robert Chadwick, Douglas Cockburn, Doris Gibney, Ruby Haskett, William Hopkinson, Katharine McKay, David Riddell, Harriett Stephens, Jean Walton, the Winter twins and Mr. Cawthra.

Many artists from neighboring communities were present for the show and commented favorably on the variety, quantity and quality of the exhibition. About a dozen members of the Barrie Art club attended in a group. Fellow artists present were Fred Hagan, Newmarket, Ken Ives, St. Andrew's College, Thomas Mitchell, A.R.C.A., Barrie, Jim Andrews, Willowdale, Mr. Moddle, Aurora, T. Le Poidevin and Clayton Insley, Toronto, as well as many others. Members of the Newmarket

Art club will be guests of the Barrie Art club at a turkey dinner in Barrie tomorrow evening. Guest speaker is Cleve Horne, A.R.C.A., president of the Ontario Society of Artists. The Newmarket group will view an exhibition of work by the Barrie club.

At present the Newmarket Art club numbers about 17 active painters with approximately two dozen associate members.

The club welcomes anyone interested in either active or associate membership to contact the secretary, Ruby Haskett, for further particulars. Instruction classes and group sketching trips are being considered by the group for summer activities.

FIRE BRIGADE BINGO FOR UNIFORM FUND

The Newmarket Fire Brigade has completed plans for their monster bingo and old time dance in the Newmarket arena on Friday night at 8 p.m. The affair is to raise funds for uniforms and it is hoped that it will draw a capacity crowd in support of a worthwhile project.

There will be 20 games of bingo, plus \$100 jack-pot to be split four ways, and a share-the-wealth game. Dancing will follow the bingo to the music of Charles VanZant's orchestra.

NEWMARKET GIRL TO SING IN VENICE

Miss Dodianna Protero of Toronto and Miss Jane Myers of Newmarket, sopranos of the Rosselino Opera Co., now singing in Naples, will leave for Venice in the early summer to sing for the distinguished Madama Tolo Dal Monte. Madame Dal Monte is the most celebrated soprano of the bel canto school of singing since the first world war and world famous for her role of Lucia in Lucia di Lamermoor.

QUEENSVILLE MAN WINS 100 POUNDS IN SWEEPSTAKES

Whether you can call it a "winner" or not, Ross Chapman of Queensville will collect 100 pounds (about \$286) on a sweepstake ticket.

The Chapmans received a cable from Ireland this week advising them that they would receive 100 pounds sterling. Mrs. Chapman said that she did not believe that Mr. Chapman had "drawn a horse" but that it was a consolation prize.

"Someone who knows more about these things than I do, said it was a consolation prize," said Mrs. Chapman. The cable said there would be further confirmation.

It would seem that \$286 would be a worthwhile amount of consolation.

SALE RAISES \$275 FOR YORK HOSPITAL

A total of \$275 was raised by the York County Hospital Women's Aid at its first Opportunity Sale. Held in the Town Hall, Newmarket, on May 15, the sale was patronized by residents of the many communities throughout the northern section of the county.

The opportunity sale of good used clothing and white elephants is part of a financial campaign being conducted under the convener'ship of Mrs. M. B. Seldon. The Aid wishes to thank all those who donated articles to the sale as well as those who attended it for their share in its success.

IN FINAL REHEARSALS FOR FESTIVAL NEXT THURSDAY

The Newmarket public schools pupils are putting the finishing touches in rehearsals for the music festival to be held in the arena next Thursday night. A group of Alexander Muir pupils with Herman G. Fowler, director of music in the schools are, left to right, Vonda Martin, Dianne Robertson, Fay Russell, Brian Millon, George Robertson and Billy Mills.

Urges Start Now On New Main St. Pavement Project

Deputy-reeve J. L. Spillette, York County warden, urged that the town start work on the rebuilding of Newmarket's Main Street this year. Of the general estimated cost of the work, the town would pay \$90,000 and the county about \$77,000.

Mr. Spillette said that "there has been a lot of talk in Toronto, particularly by Mayor Lamport, about unification of suburban services and about amalgamation." More work is being requested of the county and if the Main St. project is not started this year, Newmarket could lose out on the county's share of the cost, he warned.

Main Street has been maintained in the past under the old suburban road system whereby the county has paid 25 percent of the cost, the City of Toronto 25 percent and the province 50 percent.

Newmarket has been asked for some time to take over the maintenance of the street but the York County Roads Commission has promised to put the centre 20 feet of pavement in good condition before turning it back to the town. The roadbed has not a proper base and it will mean a considerable expense putting it into proper shape for re-paving.

"If we leave this too long and an amalgamation of suburban municipalities comes along, the whole thing will fall in our own laps," said the deputy-reeve.

Reeve Arthur D. Evans said that \$40,000 had gone through the county's budget this year for the Main Street work. It provides for a start on the project this year. It is thought that the project will take two years. While that money is provided for in this year's budget, it would be advisable to get started this summer, he said.

While the county pays for the

RURAL FESTIVAL AT N.H.S. JUNE 3

District rural schools will present their annual spring music festival in Newmarket high school on Tuesday, June 3. There will be choruses, rhythm bands, folk dances, solos, duets, double quartettes and violin accompaniment to one school chorus. The festival is under the direction of music supervisor Mona Armstrong.

Queensville (junior and senior Queensville (junior and senior rooms, teachers, E. French and Miss Bernice Davidson); S. S. 8, East Gwillimbury (Mrs. Chess); S. S. 11, East Gwillimbury (Mr. Galloway); Poplar Bank (Miss Belfry); S. S. 7, East Gwillimbury (Miss Harrison); S. S. 3, Whitechurch, Bogartown (Miss Bredin).

The public is invited to this demonstration of rural school activity. Tickets may be had from any of the teachers or pupils, or at the door.

BANQUET FRIDAY

The annual mother and daughter banquet for the Newmarket Brownies will be held this evening in the Scout Hall beginning at 6:30 p.m. Tomorrow night the guides and their mothers will hold their banquet. Supper will be served on Friday night at 6:30 p.m.

DANCE SHOW SATURDAY

Young dancers who are under the instruction of Mrs. Charles Gordon will be staging another performance in the town hall Saturday night.

The show will be in aid of the Newmarket branch of the Canadian Legion which gave the use of its hall for dancing classes during the year. Tickets were sold out for a two-night performance recently and there was a demand for more.

REGISTRATION OPENS FOR AHSUNYOONG

Registrations are now being taken for Camp Ahsunyoong, the North York County camp at Duques Pt. Dates are: intermediate boys, June 28 to July 5; junior boys, July 5 to July 12; intermediate girls, July 23 to Aug. 1.

Registration forms may be obtained from the Era and Express office. Registration forms for girls should be sent to Miss Marian Warne, Unionville, with the first 75 registrations to be accepted for each camp. Boys' registrations should be sent to Rev. Douglas Davis, Stouffville.

Children's Festival Promises Interesting Variety In Music

The corridors of the Newmarket public schools are ringing with the sweet music of children's voices, as preparations go on for the Spring Musical Festival in the Arena next Thursday, June 5.

A massed chorus of 200 voices will sing several selections of outstanding merit. Other items of unusual interest include a three-part choir of selected voices from grade 7, a group of songs from grade 7, a group of songs from grade

5, and two charming folk dances by grade 4 pupils. The dances will be performed to music by the large chorus.

The Newmarket concert band will also share the honors of the evening in a number of well chosen selections, featuring several instrumental soloists. The band will also accompany the massed chorus.

Look for the complete program on page nine in this issue of the Era and Express, and clip it out for reference.

Local Breeders Ship Calves to Italy Herd

One of the largest shipments of purebred Holsteins ever exported from Canada left Montreal May 15 by boat for Italy. It included 350 choice heifer calves and two high class bull calves. These animals were intended as foundation stock for the herd of Holsteins maintained by Count Gaetano Marzotto at Portogruaro. Included were replacements for the 41 head burned to death when the plane carrying them crashed at Pisa last January.

More than ordinary interest is attached to this shipment since it is the first lot of Holsteins to leave Canada since the imposition of the foot and mouth disease embargo.

Local breeders shipping calves were: H. C. McCloskey, Queensville; Cecil Atkinson, Schomberg; Eaton Hall Farm, King; J. M. MacIntosh, Aurora; Ernest Burgess, Queensville; Gordon Taylor, Oak Ridge; Douglas Wellesley, King.

MOUNT PLEASANT

The heavy rain on Saturday has made a great improvement to crops and trees now appear to be in full leaf.

Mrs. J. Leaney, Mrs. Wm. Moulds, Mrs. B. Davidson and Miss Iva Stiles attended the missionary convention at Thornhill on Tuesday.

Mr. and Mrs. Bernard Davidson had Sunday supper in Willowdale at the home of Mr. and Mrs. Tom Johnston and Mrs. G. Hamilton.

Miss Barbara Graham of Toronto spent the holiday with Miss Isabella Moulds.

Mr. and Mrs. Herb Moorby and Mrs. L. Sproule of Gormley had Sunday supper with Mr. and Mrs. Robt. Davidson.

Mr. and Mrs. Jack Bosworth attended the Uxbridge races on Saturday and on Sunday they visited at Nestleton at the home of Mr. John Johnston.

Mr. Peter Stephens and friend were at Mr. Bert Stephens' over the weekend.

Anniversary services will be held on June 15. Further particulars later.

The Women's Guild held a good meeting last Tuesday with Mrs. Bert Stephens in charge.

Bible study held at the home of Mr. Frank Knights on Tuesday night had quite a number present.

Mount Albert News

Miss Ted Foster of Toronto spent the holiday weekend with Miss Mildred Dike.

Mrs. W.S. Anglin was called to Kingston on Friday where she attended the funeral of her sister-in-law, the late Mrs. Frank Anglin of that city.

Mr. and Mrs. J. F. Burr spent the weekend in Toronto at the home of their nephew, F. G. Draper.

Next Sunday will be children's service at the United church when families will come at 11 o'clock and there will be no Sunday school at two o'clock. There will be a baptism service and a junior choir will sing.

Saturday, June 7, will soon be here and we want you all to know it is Mount Albert's 28th annual Sports Day and you are expected to be on hand early and stay late. You will meet all your friends. There are very fine posters all around the country on which you will get all particulars as to program for the day. There is something for everyone and heaps of lucky prizes given away. You may win one.

The Cheerio Group will meet Saturday evening at the home of Mrs. Gordon Knott at 8 o'clock.

Mr. and Mrs. B. Sinclair spent the holiday at the home of their daughter, Mrs. W. Archer of Elmville.

Mrs. Frank Ross of Winnipeg is visiting at the home of her brother, Mr. E. Haigh, and Mrs. Haigh.

Mount Albert appears to have a subdivision opening up across from the public school. Two new homes are being built on the Centre Rd. north.

The funeral service of the late John Gilbert was held at the chapel on Sunday afternoon with burial in Churchill cemetery.

The W. A. of the United church met on Wednesday evening at the home of Mrs. E. Haigh with 26 ladies present. The ladies have given \$100 towards the redecoration of the church and the president and secretary were named a committee to make arrangements to organize the women's societies of the church to assist in raising funds for the building of the new church training school for women of the United church.

The Horticultural Society has wastepaper baskets to keep our streets clean. Let's all use them and not throw papers around to spoil the looks of the town.

The Women's Institute is having a bus trip on Wednesday, June 11, leaving at 9.15 a.m. and visiting the Museum, Trade Fair and the new B.A. oil building.

Mr. Stanley Leppard, Toronto, was a May 21 visitor of his grandmother, Mrs. J. Cain.

Mrs. Stewart Steekwood, Sharon, visited Mrs. Roy Carr on Wednesday.

Mr. Wm. McQuaid, Mr. S. Steekwood, Mr. Roy Carr, Mr. Wm. Kirtan attended a meeting of the Scarlet Chapter at Cambridge on Wednesday evening.

Mr. and Mrs. Anthony Grimby and Linda and Barbara Ann of Bradford were Sunday visitors of Mr. and Mrs. Roy Carr.

Mrs. Elgin Myers, Stouffville, spent a couple of days this week with Mr. and Mrs. J. Slorach.

Queensville News

Mrs. Rex Smith and Mrs. H. Toombs and families spent Thursday with Mrs. Jack Watts and family of Caledon East.

Mrs. J. Ringland and Nancy of Islington spent several days with Mrs. Ringland's mother, Mrs. Jacob Smith.

We wish a speedy recovery for Miss Pat McFarquhar who recently had an operation on her knee in the General Hospital, Toronto.

Mr. and Mrs. Bill Jackson and baby son Donald, and Mr. and Mrs. N. Shanner, all of Toronto, were weekend guests of Mrs. Jackson's parents, Mr. and Mrs. Wm. Clark.

Mr. and Mrs. Stan Eves visited Mr. and Mrs. Fleming near Agincourt on Sunday.

Mr. and Mrs. Ray Glass attended the anniversary service at Lasky church and also visited Mr. and Mrs. Len Glass of King.

Mrs. Matt Craig and Susan of Detroit spent a few days with her parents, Mr. and Mrs. Wm. Fife.

Mr. and Mrs. G. Silverthorn and family of Islington visited

Mrs. Jacob Smith on Sunday. Miss Marian Gibson of Newmarket will be the guest soloist at Queensville United church in the Sunday morning service on June 1.

A miscellaneous shower was held on Wednesday evening at the home of Mr. and Mrs. Roy Coates, in honor of Miss Shirley Knights who is being married on Saturday.

The National Film Board will again be showing films at Hillside school on Wednesday night, June 4, at 8.30 p.m. Everyone is cordially invited to attend.

Mr. and Mrs. Frank Johnston, Yvonne and Carol, spent the weekend with Mrs. Johnston's mother at Bancroft.

Mrs. Murray Faris and Susan of Bradford are spending a few days with Mr. and Mrs. R. Strasser.

W. A. will be held in the United church basement on Tuesday afternoon, June 3. The ladies of Toronto Centre Presbytery will be in charge of the program. The supper hostesses are Mrs. R. Stiles, Mrs. Hamilton, Mrs. E. Strasser, Mrs. Max Batt and Mrs. Alf. Oliver.

KESWICK

Congratulations to Mr. and Mrs. Lloyd Goddard of Cedar Glen Rest Home on the arrival of a 7 1/2 lb. daughter at the Women's College Hospital, Toronto. Mrs. Goddard and daughter came home on Sunday.

Miss Eleanor Mahoney of Toronto was the weekend guest of her cousin, Miss B. Terry.

Mr. Munro Mann of Detroit was at home for the weekend.

Miss K. Peel of Toronto spent the holiday weekend at home.

Mr. and Mrs. Joe Mitchell of Aurora were at their Keswick Beach cottage for the weekend.

A great many Keswick Beach cottages were open for the 24th but rain did much to spoil the holiday.

Mr. and Mrs. Jack Shaw of Weston spent Sunday with Mr. and Mrs. George White.

Mr. and Mrs. Samuel Hannon of Toronto spent the 24th with Mr. and Mrs. I. Waldon.

Miss Agnes Campbell of Oshawa spent the weekend at her home here.

Mr. Malcolm Gardiner and Mr. and Mrs. Allen Snider of Owen Sound is spending a few days with their cousins, Mrs. J. McGee and Miss Islay McGee.

Miss Ruth Mary Winch of Niagara Falls spent the 24th with her parents, Mr. and Mrs. Perry Winch Sr.

Mr. and Mrs. Gordon Carr, Miss Pegi Carr and Miss Marion and Norma King spent Sunday in Collingwood.

Mr. and Mrs. Perry Winch Sr. and Mr. and Mrs. Harold Winch, Sutton West, spent Sunday and Monday in Niagara Falls.

MOUNT ZION

Mrs. Walter Curl is much improved after her recent illness.

Sunday guests at the Kellington home were Mr. and Mrs. Lorne Hoover and family, Pine Orchard, Mrs. Stan Shanks and Mr. and Mrs. Jack Rye, Holt.

At time of writing Mrs. John Kellington is not so well.

Mr. Harold Jones and friend spent Sunday at home with his parents, Mr. and Mrs. H. Jones.

Mr. Harry Cooper spent the weekend at home.

Miss Leona Cole attended the Young People's convention at Palmerston on Saturday.

Mr. and Mrs. Jim Morris attended the funeral for Earlby Jones last Wednesday. The community expresses heartfelt sympathy to the family, Mr. and Mrs. Fred Jones, Brown Hill.

Don't fail to attend the special services while they last, every week-night and Sunday. Rev.

Invite Rev. E. S. Kerr To Mt. Albert Charge

The board of the Mount Albert Baptist church have invited Rev. Sidney Kerr, pastor of the Forward Baptist church, Galt, to become interim pastor of the Mount Albert work. It was while Mr. Kerr was pastor at the Mount Albert church that the present building in Mount Albert was purchased. Mr. Kerr is still a trustee of the property and vitally interested in the work.

It was also agreed that the church in Mount Albert become associated with the Independent Baptist Fellowship of Canada. Mr. Kerr is on the executive committee of the Independent Baptist Fellowship.

Pastor R. Erickson has been invited to occupy the Mount Albert pulpit for the month of June. Mr. Erickson is pastor of the Maple Hill Baptist church, Queensville.

Growth in every peck

Savings in every Bag

Your pullets need real growth if they are to be in tip-top shape next fall to produce LARGE EGGS EARLY, during the high price season, and keep on laying steadily.

To get that real growth the pullets must be fed a good balanced ration. It is not good enough to raise pullets just on pasture and grain. They will not lay as many eggs as early as balanced-fed.

SHUR-GAIN Growing Mash is fully tested under CANADIAN farm conditions. It is manufactured locally, eliminating freight costs and middleman profits, and sold directly to the consumer.

York County Hospital Women's Aid

November, 1923 - September, 1940

It was the lack of a liaison body between hospital and public which more than any other factor contributed to the re-establishment, after 10 years "suspension", of a York County Hospital Women's Auxiliary. Those ten years had seen the progress to its bitter end, of a devastating war, during which time a large majority of our working people had been absorbed by war industries.

Domestic and unskilled labor were at a premium and institutes were often obliged to function with bare skeleton staffs. Nurses were scarce, perhaps because so many other fields of endeavor offered much more attractive remuneration, and cost of living and maintenance soared to unheard-of heights. York County Hospital's difficulties were paralleled by those of other institutions and this trying time marked the beginning of its accumulative debt.

The hospital had for so long been a self-sustained, self-supporting unit in the community that its difficulties were not realized for quite some time. Upon the appointment of Miss L. Thomas, the present superintendent, she immediately urged the forming of a new hospital auxiliary. Former members were consulted, and a nominating committee set up a proposed executive. This was presented to a public meeting on March 14, 1950, and officers were duly elected. The York County Hospital Women's Auxiliary was again in business.

W.L. Quick to Respond

The Auxiliary immediately caught the interest of the public and the meeting and various social functions were well attended. As in former years, the Women's Institutes were quick in responding to pleas for assistance and many other organizations in the community hastened to help. By April of 1951, membership in the Auxiliary numbered close to 200 persons, and equipment of all kinds to the value of \$1,144.49 had been presented to the hospital through the efforts of the Auxiliary.

In this month also a bulletin setting forth the accomplishments of the Auxiliary since its inception was sent out to members, Institutes and organizations. This bulletin was so well received that it was decided to make it a monthly feature whereby members and interested organizations could be made familiar with and kept informed of the work of the Auxiliary. The mailing list to which this bulletin goes each month with the exception of July and August now numbers 400.

In January of 1952, it was decided to extend the scope of the Auxiliary to include members from all parts of York County which the hospital serves. Five outside zones were therefore set up to include Aurora, King Township, Bradford, Sharon, Mount Albert-Queensville and Sutton with appointed representatives from each to sit and vote on the Auxiliary executive, and it is hoped by so doing that the hospital will be truly recognized as a County responsibility.

While space does not permit the listing of all articles supplied the hospital through the auspices of the Auxiliary, the following items will give some idea of the diversified equipment presented: a large stainless steel food conveyor; automatic toasters and thermos jugs; stainless steel plate covers; baby blankets and large wool blankets; gatch bed and bedside table; large quantities of hospital gowns, bath towels, small pillows and matching pillow cases and baby nighties; obstetrical instruments; an electric stomach suction apparatus; a metal wardrobe cabinet;

A stethoscope and blood pressure machine; hospital linens of all kinds; a portable resuscitator; flower vases; layettes for the nursery chest; ear, nose and throat diagnostic set; drapes for the public maternity ward and semi-private male ward; dressing and catheter trays with equipment; redecorating and refurbishing the nurses' sitting room.

From September, 1950, to December, 1951, the financial report of the Auxiliary showed that \$2,606.61 had been spent on these and similar items, and it is hoped that in the near future the Auxiliary will be able to maintain completely an adequate linen supply for the hospital as well as supplying articles of necessary equipment.

The ultimate aim of the Women's Auxiliary is to help to make York County Hospital one of the finest, most modern institutions in the country, and such equipment is an absolute must if the community is to receive the maximum in service. This, however, takes money which the hospital administrators simply have not got, and yet if the hospital is to service this district efficiently, it simply must have. This is where the Auxiliary can be of inestimable value to both hospital and the public it serves—it can act as a medium to interpret these needs to a sympathetic people by fostering good public relations, by bringing the needs of the hospital before groups and organizations which are in a position to help, and by cultivating and encouraging the sympathy of the individual.

To Prove What Can Be Done

As was said in the beginning, the purpose of these articles has been first, to prove what can be and was done by a small group of public-minded men and women who were determined to establish an absolutely necessary service in their community, and secondly, to show how the need for further help has again come about, and what is to be done about it. It is fully realized that over the year many, many appeals are made for charitable assistance, each and everyone for a very worthy cause, so that it becomes increasingly difficult for the average citizen to apportion his charitable allotments.

However, this is an indisputable fact: York County Hospital could become and extremely personal factor in the lives of any of us at any time; York County Hospital is going to become that personal factor in the lives of many of us before this year is over. Miss Thomas, superintendent of York County Hospital, noted in a speech she made recently at an Auxiliary meeting that last year one out of every ten citizens in Newmarket alone availed themselves of the services provided by York County Hospital. Therefore, when Auxiliary representatives call on you at your home or approach you on the street and they will be doing both at the end of this month, please remember that this appeal is made to you as an individual who, in the natural course of things, is more likely than not to benefit directly from the donation you give, and that only by your whole-hearted support can the hospital supply you with the facilities you yourself may need.

Ottawa Letter
BY... J.E. SMITH
M.R. NORTH YORK

Parliament this week made history by introducing legislation to establish a national library. Prime Minister St. Laurent introduced the measure which had the unanimous support of all members in all parties. It marked the initial step toward the fulfilment of a dream which has long engaged the imagination and hopes of the Canadian people.

A national library was first suggested for Canada by Sir Wilfred Laurier back in the 90's. Since that time many organizations have actively urged that such action be taken by the government.

In September, 1948, the Dominion archivist was asked to do preliminary organization work and a national library advisory committee was appointed under his chairmanship.

In 1949 the Massey Commission on national development in arts, letters and sciences was asked to consider the question of a national library. The purpose of the legislation introduced this week is to carry into effect the recommendations of that commission that a national library be established without delay.

It may be that under existing conditions some time will pass before the library becomes a reality, but at least a start has been made. In the first place defence requirements make the immediate erection of the necessary building impossible at the present time. In addition there is the fact that a great deal of preliminary work is required before a national library can really commence public service.

It is planned to make Canada's national library just a little different from national libraries in many other countries. In making plans for the national library it is assumed that there will be the closest possible co-operation between the new library, the existing parliamentary library and all other libraries throughout the country. It is hoped to reduce to a minimum all duplication.

One basic objective of any national library, the premier said in introducing the bill, is to become the most comprehensive library in the world on its own country. It is proposed that Canada's national library should try to reach that objective, but that in working toward that end it should co-operate with other government libraries and other institutions throughout Canada now having libraries.

The Massey report recommends that the national library should secure as complete a collection as possible of books published in Canada, books published by Canadians and books of Canadian themes so that it might be the most comprehensive collection of books in the world relating to Canada.

The introduction of the bill to

CLEAN-UP WEEK

The Editor: Clean-up week in Newmarket! This writer would ask what would give greater inspiration to the individual home owner in the improvement of the appearance of his home and garden, than for the town council to take positive action toward cleaning up the filthy smoke nuisance which consistently prevails in Newmarket.

It is unfortunate that the various industries in Newmarket have not been far-sighted enough to realize the tremendous step-up they would enjoy in prestige and esteem both within and without the town by taking action themselves to remove the dust and dirt from smoke before it leaves their various smoke stacks. More unfortunate than this, however, is that the elected representatives of the townspeople appear to be either uninterested or have not the courage to put their town out in front by enacting a by-law which will force the various offenders to remedy this offence.

One argument seems to be that the small offender would be penalized, but investigation into this will show that the cost of suitable preventative equipment for the small industry is not large. For the larger industries the cost, again, is not great when compared with the profits these industries have been taking out of the town for many years.

Another comment has been what if these industries, rather than conform to a smoke by-law, decided to move away from the town? In answer to this, my comment is that the small industry is unlikely to do this, since his livelihood is gained from his location in the town, and the larger industries have such a property investment that such a suggestion is ridiculous. It can be pointed out also that a large percentage of workers employed in the various industries in Newmarket are not residents of the town at all, but commute from outlying districts.

The question has been raised of the difficulty of enforcing such a by-law, if council did enact it. Is this not an admission of weakness? Is Newmarket being run by the council, which is the elected body of the citizens, or is it being run by the few large industries which are gaining much from the town and giving little in return?

Taxes in Newmarket are higher in proportion to what the town has to offer than they are in the City of Toronto, and yet what does the home owner in Newmarket get for these high taxes—a smoke nuisance which cannot be overlooked. Black smoke belches forth from these various smoke stacks 24 hours a day for the seven days in the week. Freshly painted homes are dingy within a matter of weeks. Fruits and vegetables in gardens are besmirched to a point where they are almost unuseable. Flowers and foliage are ruined. Also, the damage done inside the home to curtains, woodwork, carpets and floors is costly and annoying.

Can't we as home owners and citizens ambitious for the welfare of this town demand action on the part of our town council and make Newmarket a clean, healthy and attractive place to live?

Yours very truly,
E. M. Roberts.

GLOXINIA SPECIAL

The Editor: I planted a gloxinia bulb Feb. 2. It has grown into a lovely green plant with 16 buds on it, at present four blooms out, light purple and white bell-shaped flowers. I was wondering if anyone has had a plant with a larger number of buds on it?

Mrs. John Ash,

IN YOUR WILL

Pages from the Editor's Notebook

We had the word from Master William that there was a good trout stream to be found a few yards up (blank) concession in (blank) township and so with Geoff in tow, we went off with a can of worms and a few yards of fishing line. Unfortunately, we didn't allow for the time lost taking the wrong turnings so we didn't reach the stream until dusk.

Geoff wet his line and spent a few minutes trying to snag the dead trout someone left in the best pool as a fishing expedition, the trip was a wash-out. William told us the next day that he fished out five good ones an hour earlier.

It was the first time Geoff and I had gone fishing in the father and son tradition. We'd not tried it if it hadn't been for the encouragement of a mess of smelt which we caught during the run. Fish run from us like mice from a cat; it didn't seem right to introduce a boy to fishing with a Jonas like ourselves along. But as noted, we had been successful with smelt; we had hoped the luck would rub off on the trout.

Small chance. It was a lovely evening anyway.

On the way home, we dropped in on some friends in Cedar Valley. Amongst the talk was a report that a wolf had been sighted on the farm and confirmed by a couple of others. We had seen reports that one, Charles Hooper, had seen a wolf on his farm in Markham. We wondered if it was the same Charles H. who is president of the York County Federation of Agriculture.

This is pretty far south for wolves but then, with deer becoming plentiful this far south, we suppose it's only natural. We keep hearing of a herd of deer summering around Gormley.

And while on the subject of wild life, there seem many more different kinds of birds about this spring than last. We have spotted several we were unable to identify. Orioles appear particularly plentiful this

year; it's a refreshing sight to catch glimpses of their bright colors through the trees.

Oh yes, we have been told since our remarks on the tent caterpillar that a solution of D.D.T. will do the job more effectively than the torch we preferred. Less harmful to the trees.

We happened upon the following in a "Countryman's Journal" by H. J. Massingham in an old edition of The Field, an English country newspaper. Mr. Massingham quotes from a book telling of farming in Dumfriesshire in Scotland in the early part of the nineteenth century. Here's a comparison of some crop yields: In 1812, the yield of wheat on good land was 32 to 45 bushels per acre compared with an average of 40 today; of oats, from the 60 to 75 bushels per acre compared with 44 today; of turnips, 30-40 tons per acre compared with 17½ today; and swedes, 28 tons per acre compared with 16 today.

After remarking on the high fertility of the soil, Massingham continues: I was astonished to read that so far as compost being (in the opinion of today) the invention of a few cranks in back-yards, the compost heap was the normal manuring method of the Dumfriesshire farmer. . . . Not only was the land generously enriched with composts and organic manures, but the most elaborate cultivations were applied to it far beyond the measure of modern practice."

Massingham concludes: "With few and simple farm-implements these true farmers did incomparably more for and with their land than we do with whole armies of costly and complex machines. They planted hedges instead of grubbing them up, 20,000 fattening cattle were up in the county town each year, 13,000 pigs were fed and 200,000 sheep grazed on mountain and lowland. And why? Because to them, farming was not a science or an industry but was life itself."

From the Files of 25 and 50 Years Ago

MAY 27, 1927

Sunday, May 22, was a beautiful day, the thermometer ranging from 70 in the shade to 90 in the sun. Expectations for a pleasant Empire day were raised only to be drowned in a continuous downpour all day Monday and lasting until noon on the 24th. Social engagements, picnics and gardening plans were cancelled with great disappointment.

There was only a medium market on farm produce last Saturday morning. Butter is inclined to drop in price. Ruling prices as follows: butter 35-38c lb., eggs 26-27c doz., dressed chickens 35c lb., live hens 25-27c lb., potatoes per bag \$1.75-\$2.25.

The choir of Trinity United Church brought home the silver shield the second time last Saturday for being the best choir in York County, outside Toronto, in the York Pioneers competition at Richmond Hill. There were 30 voices. Miss Kellaway is the leader. Mr. Thos. Williams the organist.

Miss Ruby Moss of Newmarket sang at a recital given at Massey Hall, Toronto, last week. Miss Moss, a pupil of David D. Slater, was chosen as his star pupil to sing at this important concert. We are told that she has a beautiful voice. It is certainly a great honor for one of our town ladies to sing before such a distinguished audience. She is the daughter of former Alderman John D. Moss, a prominent Newmarket businessman, and Mrs. Moss, president of the Ladies' Union of Trinity United Church.

THURSDAY, THE TWENTY-NINTH DAY OF MAY, NINETEEN HUNDRED AND FIFTY-TWO

SUPPORT THE HOSPITAL

The fourth and concluding instalment of the history of the Women's Aid of York County Hospital is printed this week. On Saturday, there will be a tag day throughout the district served by the hospital when funds will be sought for the work of the Aid. The history of the Aid was printed so that those who will be asked to contribute will have some idea of the importance of their contributions and the ability which will administer them.

It is difficult to appreciate to the fullest extent the value of the hospital to this district. Many of us simply take it and its services for granted. The plain fact is that the hospital would not exist had it not been for the foresight, hard work and ability which its founders displayed so generously years ago. At that, their efforts, strenuous as they were, required the assistance of the Women's Aid to bring into existence the hospital as we know it today.

We are a generous people as the record of help to those less fortunate indicates. In these efforts there is always the risk that we will discount the needs at home. York County Hospital requires every assistance.

Sometime in the next year, it is estimated that one in every ten persons in Newmarket will call on the services of the hospital. The ratio could be extended throughout the district. A contribution to the Women's Aid is a contribution towards our own safe-keeping. With those contributions, the Aid will be able to expand its work of improvement in hospital facilities. When asked on Saturday, give generously.

NEW LIBRARY BUILDING

The invitation of Dr. C. R. Vandervoort, acting chairman of the Library Board, to the public to express their opinions by letter on a new library building has been answered by at least one correspondent at the time of writing. The correspondent favors the purchase of the old Temperance Hall instead of building. Her chief argument is cost. It would be vastly cheaper to buy than to build.

We doubt, however, the practicality of that proposal. One major objection is that the Temperance Hall is a frame building. We question whether it could ever be considered fireproof and no library can properly serve its function unless it can be used to store old documents. We would not care to place the back files of the Era and Express in such a building nor would, we imagine, others wish to risk the loss of irreplaceable documents.

But without such a consideration, we question the long-term advantage of the Temperance Hall. A library is a building with a special purpose. The Temperance Hall would have to be remodelled and renovated to serve that purpose. We question too, its size. Would it be large enough to accommodate a library to serve a growing population.

On the question of cost itself, our correspondent makes a misleading comparison when she compares Newmarket's tax rate with Toronto. The mill-rate is no index to comparative taxes unless the percentage of assessment is also included. Newmarket does not assess to the full value of house or property. Toronto, we believe, does. Even at Toronto's lower mill-rate, the actual tax is much higher.

What we find startling is the small amount of money Newmarket has spent in the past on the maintenance of its library. Newmarket's record does not look very proud when placed beside that of other municipalities. There is some justice to the claim of Mr. E. J. Good, member of the board, that with an annual expenditure 39 cents per capita, compared to an average of 80 cents to a dollar, the Newmarket board has "been saving the town money all these years".

We do not suggest that a new building be constructed simply to raise Newmarket's library expenditures to a level with the provincial average, but Newmarket's present expenditure does permit the new building without engaging in comparatively excessive expenditures.

The cost of a new, \$25,000 library building would be two fifths of a mill for 15 years, roughly a levy of 80 cents per capita a year. The cost is reduced to this trifling sum by provincial grants which would equal \$2,000 a year. Newmarket now receives from the province \$88, a grant which is based on the expenditures of the town. It is interesting to note that 50 years ago,

the grant was a little higher, and if it was set the same way it is now, Newmarket has gone backward at an amazing rate.

Newmarket should have a library of best possible construction, one which can be enlarged as the need requires. There should be safe-keeping for historical documents, provision for lectures, demonstrations and displays, and finally, a source of pride. One reason for the relatively small use of the present library is its location. A good library should encourage use. A new library would; we doubt that local pride would be much enhanced by using second hand quarters.

A POOR EXCUSE

We have no objections to the payment of increased salaries to Newmarket police, if justified, but we do object the form of argument which supports the present claim to increases. The committee, according to the report of the chairman, is split on approval of increases. The chairman objects to the increases. The other two members favor increases, not because of merit or for the usual reasons for granting salary increases, but for fear that if the case is placed before an arbitration board, the board will grant increases beyond those sought.

Apparently, it is felt that even with the increases asked for by the Newmarket police, the salary level will be below that of other municipalities or, alternatively, that which is considered ideal. We grant that a provincial average of a minimum scale might be reasonably set. We fail to see why an arbitration board can presume to determine a wage scale beyond that. No two municipalities are alike. No two have identical situations. Granted that a comparison between municipalities is helpful in determining a wage scale for public servants. But what holds good for, say, Toronto, does not necessarily hold for Newmarket.

If the two dissenting members of the board object to the increases as unearned let them say so. Let the matter go to an arbitration board if necessary. Let Newmarket challenge the board's ruling if it indeed contends that what is paid in one municipality should be paid in another. If the increases the police wish are earned; they should be paid. If they are not earned, they should not be paid. That should be the only question in dispute.

HOPE FOR ROAD SIGNS

The union of the Women's Institute and the York Pioneers and Historical Society has been blessed with several offspring, if a figure of speech may be carried to this extent. One such has been the annual picnic at Sharon Temple which is fast becoming a notable event. Another is the request of the Pioneers to the Institutes to join them in attempting to persuade the provincial authorities that Sharon Temple is a truly historical site and should be acknowledged as such by road signs.

The resolution presented at the District Annual at King City a couple of weeks ago asked that a large sign be erected at Eagle St. and other signs placed along the route directing travellers to the Temple. Since the Institutes have a certain amount of official influence, it is to be hoped that the resolution will be given the recognition it deserves.

NOT SO FAST, PLEASE

If we applaud the Institutes' effort to improve road markings for historical sites, we are less enthusiastic about their hope to encourage a fence-row clean-up campaign. Weeds are a nuisance, and a costly one at that. And cleaner fence-rows would no doubt help abate it. But before fence-rows are stripped clean, pause a moment to consider the cost in terms of wild life.

Those same fence-rows are the homes of countless birds, and other forms of small wild life. The Institute members are aware, we are sure, of the value of birds in insect destruction, quite apart from their beauty and their music. And the rabbits and game birds which live in the fence-rows make excellent eating for the farmer.

Some authorities maintain that a habitable fence-row is a saving to the farmer, far beyond what he might lose in weeds.

Office Cat Reports Catnips By Ginger

Everything in the world has an end to it. Every little living creature has an end, even a cat. When Slim Biggers and I reached Buckwash Junction on a train last weekend, we knew we had reached the end of everything in the world; and the C.N.R. had taken us there.

We were on a trout fishing trip and we took the spur line in from Moe Hill. It was a perilous line which snaked into the back country through swamps, between jagged rocks and over creaking, rotting log trestles.

There are two trains a week, one Tuesday and one after midnight Friday into the Junction. Buckwash Junction isn't a railway junction. As I said before it is the end. But it is at the junction of Squeek Creek and the Lipper River.

There is one 24-hour telephone operator who has her switchboard beside her kitchen table. She not only knows all the news in Buckwash, she sees to it that it's correct and "it's got all straight".

For instance, a newspaperman was once phoning a fire story into his city desk, long distance. He said that "two people, Mr. and Mrs. Smith, escaped from the blazing inferno of their home very early this morning."

But the alert operator switched in on his call and corrected: "No. It was only Mrs. Smith. Mr. Smith was at the Squeek Pool Academy when the fire broke out and he didn't get home 'till five this morning."

Other than annual harness racing, (local horses, local drivers, local harness), there are no activities in the community of Buckwash I can mention without going into lengthy detail.

It was not Buckwash Junction in the fly country, the end, but the means to the end that I shall always remember. The only means to this end, of course, was the impossible railway line, in from Moe Hill.

The agent at Moe Hill station told us the train "might leave, say 'round quarter to one, providin' the boys got her loaded right".

At one-thirty a.m. the boys had put the train together, a full eight-car train with caboose. Slim and I walked out of the station up the track to the caboose, all set to take off, full of wit and vinegar.

"Better not be into too much of a hurry, there. Gotta load a car of pulp yet," warned the trainman.

"Toot, Toot" was at 2.38. Slim and I woke each other out of a sound sleep on the iron platform bench and scrambled up the steps of the caboose. We were off!

We wound through the hills at break-neck speed before the disaster struck this particular morning. The engineer, being crazed with power, we rounded Cutworm Curve at an insane 20 m.p.h. and the pulp car jumped the track. And so Slim and I cooked breakfast on a rock up track, smoked two El Pandos and dozed as the boys loaded the car back with an iron re-railer.

We awoke to find the beast puffing along at 5 m.p.h. and in a frenzy, we lept onto a box car in the centre of the section, hauling our gear after us.

We hurtled along the rusty rails, following the banks of the Lipper River. We stopped to pick up two or three cans of milk.

We stopped once at a wayside station, for no apparent reason but I realized a most natural reason. The engineer climbed down from his hissing charger and disappeared behind the station into a small red wooden building.

I smiled to myself as I recalled the railway's slogan, "Courtesy and Service".

We have a nationally owned railway system from Atlantic to Pacific, a tremendous organization of millions upon millions of dollars. What an executive responsibility for great calibred men it is! And this spur line from Moe Hill to Buckwash Junction was part of it.

I astounded myself at this thought. I wondered if Donald Gordon, the president of C.N.R. had ever travelled the Moe Hill Buckwash line. If he has and is still president, he must be a good president.

by "Dairy Farmer" The Top Six Inches

We followed the recent negotiations of the distributors and the milk drivers' union with a great deal of interest. At the outset, both parties agreed that the price of milk shouldn't go up. This in itself was a new approach since it avoided the spiralling affect of decreased consumption that previous negotiations had.

The great problem was of course the question of the restricted deliveries. The Milk Board wants it as an economy. The distributors oppose it because in their opinion it will decrease milk consumption, and because it would do away with the old idea that a household would buy its milk from the same driver over a period of time. The drivers oppose it because to them it is a step towards eliminating their services and because a decrease in sales would cut in to their income directly and indirectly. On this point distributors and the dairy workers are on common ground. Thus the agreement for a raise in wages without raise in price and without a restriction on deliveries.

We have advocated a restriction for a long time, a restriction on duplication of deliveries. We have also felt that a cash and carry basis should be a substitute. The dairies maintain that milk will be used if it is brought to the home, but that it is a bulky product and the container problem makes it even more so. People left to get their own milk won't get it and will turn to substitutes.

We don't know how valid this argument is. Undoubtedly a lot of advertising would be needed to change the buying habit of a community. Distributors are either incapable or unwilling to do it and

take their chances to make the savings. The distributors foresee an unevenness of demand. Too much milk on the waggon and not enough in the stores and the otherway around. There is also the fear that if three-day deliveries are instituted it will undoubtedly mean a certain dairy on certain three days and another on another three days. This may lead to loss of customers to each other a kind of cut-throat competition in which nobody really comes out ahead.

Perhaps more than anything the dairies fear reopening the whole milk problem, feeling with some justification that what the industry needs is peace and quietness.

In our opinion the milk business could be stabilized provided two steps were taken by all parties concerned. One is an option of formula price setting. This would tie the price of milk to a number of variable factors. It wouldn't necessarily mean a decrease of the price to the farmer. But if it did even for a limited time, it would be good public relation and would increase sales.

Other is an increased and imaginative advertising campaign. The food dollar is going for further than it did six months ago. The distributors' advantage of it, not being out a cheaper price by selling the best.

Two years ago, at the height of the beef boom, consumers could count on a amount of sympathy public and the shoe is on the other foot now. Nobody has sympathy with the products still sells price while the consumers are taking a beating.

THE OLD HOME TOWN

The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.

Our readers write

Letters to the editor are always welcome but the names of the writers must be known to the editor.

The Editor: I am writing this letter to be put in your valuable paper.
 It would be a fine thing to have a new library building but at 61 mills on the dollar (Toronto, I believe, is only 42) and the fact that the town is at the present time building a new fire hall, 1952 is not the time to build it.
 In March, the library board looked at the Temperance Hall on Millard Ave. and they did go before the council asking that it be purchased for the library but the property committee, consisting of a lawyer and a real estate man, never brought it before the council to vote on although some in council said everyone was in favor of buying

it. This building could be purchased for \$7,500 cash.
 I always understood that the members of the council were put in office to do the best for all of the ratepayers of the town but apparently two members of the council can rule the whole council and if an item is not brought up, none of the rest of the council will ask about it. I believe that the council should have been given the opportunity to say yes or no.

If the property committee decided to go ahead with the building of the library at a price of \$25,000 as stated, which I very much doubt can be done, as far as I can see, there would be nothing to hinder them going ahead and enlarging on the project and building the same building that was turned down by the ratepayers when the property behind the post office was purchased.
 Another thing I would like to know, how is it there has been so little publicity given to the council meetings for some time.
 Yours truly,

Leonora Starr,
 98 Prospect St.
 Editor's Note: With reference to the publicity for council in recent weeks, the answer is that council has not met so frequently as earlier in the year, and secondly, the paper can only report what is being accomplished. If reports are shorter, it is because there is less to report.

MOUNT PISGAH

The Home and School Association of numbers 6 and 7 will meet in S. S. No. 6 on Friday evening, May 30. There will be conveners' reports and the annual election of officers.

The executive of the W.I. met at the home of Mrs. Harry Smith on Monday evening of last week. There were seven officers present and they completed the list of conveners for this next year's program.

Mr. and Mrs. Morley Hibbard, Hamilton, called on Mr. and Mrs. John Ash last Friday evening.
 Mr. Percival, teacher of the senior grades at S. S. No. 7, is ill with the mumps and will be home for about three weeks. Mrs. Allan Doner will be relief teacher for that period of time.
 Mr. and Mrs. Lloyd Deeks and family, Kitchener, were weekend visitors of the Norman Browns.

Mr. and Mrs. Alec Sharpe and family, Guelph, visited Mr. and Mrs. Jack Gamble and family on Sunday of last week.

Mr. and Mrs. Walter Bearsto and Margaret of Prince Edward Island visited Mr. and Mrs. Leigh Bearsto on Thursday of last week.

HOLLAND LANDING

Service at Christ church will be Holy Communion at 9.30 a.m. on Sunday, June 1.

We are sorry that Mr. and Mrs. Wm. Dean are moving from the village. They will be greatly missed in both churches.

Mr. F. R. Goodwin attended the Synod in Toronto May 27, and also the centenary banquet at the Royal York hotel.

Boy Scouts with their scoutmaster, Mr. John Meyer, visited the museum in Toronto last Sunday afternoon.

The first Holland Landing Cub pack tied for first place at the South Simcoe district cub rally at Sutton on Saturday. In spite of the rain, over 200 cubs from district municipalities entered the rally competitions. The Holland Landing pack tied with Newmarket and Sutton, although the Landing pack has been organized only three months. It is led by Mrs. Eleanor (Happy) Bonnell. Well done, boys, and Mrs. Bonnell.

North York W.I. Annual

The 45th District Annual of North York Women's Institute was held in Mount Albert Community Hall May 14. Mrs. Elton Armstrong, the district president, presided. Rev. Shapter welcomed the gathering, saying what a privilege it was to welcome such an organization whose influence and power contributed such useful service toward the upbuilding of the home and community life.

Mrs. Noble Munro thanked Mr. Shapter and said how much the rural Women had contributed to the welfare of Canada and that even the men, most hesitant in his approval of women's organizations, would say the W.I. are all right. "It is the force of applied Christianity which we hope will bring lasting peace," she said.

Mrs. Beverley Sinclair, the secretary treasurer, reported 419 members in 11 branches and they had contributed \$379. to the York County girls scholarship fund from nine branches.

Mrs. Osler, for citizenship and education, said the branches had studied these subjects and made use of the literature in the loan library, especially that on United Nations as it needs understanding and support. Mrs. J. L. Smith, in her report on community activities and public relations, said to make reports brief when sending news in to the paper as newspaper space is valuable. It costs \$90 to print one page.

Mrs. Murray Stokes, for agriculture and Canadian industries, said the Federation of Agriculture was organized in 1935 because of the need for "one unified national organization qualified to represent all sections of agricultural producers in all provinces" and also gave many of the policies advocated by the Federation.

One of the high-lights of the convention was the playing of two piano solos by Beth Theaker.

Home Economics and Health was given by Mrs. Fred Proctor who said the aim of this project was to raise the standard of living. "We must strive for gracious living and cultivate a desire for good and beautiful things at hand," she said. It was a wise man who said the picture of health requires a happy frame of mind.

Report of nominating committee was given by Mrs. W. Anderson. Miss Anna P. Lewis, director of Women's Institute, explained the new extension service offered by the department and said each branch making a decision must be sent to her by July 12. This change was made in the hope that more co-operation would be given to those branches or districts who were sponsoring these projects.

The Mount Albert Branch served a delicious lunch which was enjoyed by everyone.

The afternoon session opened with the address by the president, Mrs. Armstrong. She expressed her delight to see so many present and gave a report on the Guelph conference. One thing of special interest was Miss Florence Reynolds' address on "Food and Agriculture Organization of United Nations" which told of the starvation in Greece and how great the need was for implements to work their land.

When Mrs. Armstrong finished her address she was presented with a silver cream and sugar on a silver tray for her outstanding three years work in the district. Mrs. Steeper made the presentation.

Miss Lewis showed colored slides on "Historic sites in Ontario."

Historical research and current events were given by Mrs. Roy Cronsberry. She said several branches had completed Tweedsmuir books while others had started them. Five branches reported joining the North

York and Pioneer Historical Society. The history of Queen Elizabeth and her husband Philip was given.

The meeting heard some music given by school children from Mount Albert and Mrs. Willbee's School with Miss Mona Armstrong as their music teacher. This was enjoyed by all.

Mrs. Ruth Clarke, home economist, spoke briefly on the girls' Homemaking Clubs and gave all an invitation to Achievement Day on May 31. Mrs. R. Lewis gave a report on Federation of Agriculture work and said that 25 nations are represented in this work and the Federated Women's Institute of Ontario have become affiliated with the Federation of Agriculture.

Mrs. Chas. Agnew, new board director, told about the A.C.W.V. convention coming to Toronto in 1953 and said they would be holding a Canada Day in Maple Leaf Gardens, also that each branch in the district would ask each member for 35c to help finance this conference. Each member would be sent a pin which they were to wear. The F.W.I.C. fees would be raised from 5 to 7 cents. Rates for the W.I. holiday at Guelph would be \$2 per day.

Mrs. Armstrong thanked the branches for their co-operation and Mrs. Agnew conducted the election of officers. The visiting guests were Mrs. J. G. Snider and Mrs. Heron from the Toronto Area, Mrs. Leo Watson, West York, Mrs. Baycroft and Mrs. Fred Hare, Centre York, Miss Chapman and Mrs. White. Each brought greetings from their districts.

York Centre Officers

Mrs. R. C. Bayeroff, Gormley, was re-elected district president at the Centre York W.I. District Annual in King City. Others re-elected were hon. pres., Mrs. J. Boak, Schomberg and Mrs. H. J. Charles, Aurora past pres., Mrs. R. H. Corner, Aurora; first vice pres., Mrs. E. Reddick, King R. 3; second vice pres., Mrs. Howard Dobson, Kleinburg; third vice pres., Mrs. Geo. Shoultz, Schomberg; sec. treas., Mrs. Fred Hare, Temperanceville. Mrs. A. H. van Nostrand, Gormley, was elected federation representative and Mrs. Albert Farren, Kettleby, alternate; Mrs. R. C. Bayeroff, district delegate to area convention, and Mrs. Ed Reddick, alternate; Mrs. Ross Armitage, Newmarket R.R. 3, and Mrs. A. H. White, representatives to Federation of Agriculture.

The following are conveners of standing committees; agriculture and Canadian industries, Mrs. Maurice Beynon, Temperanceville; citizenship and education, Mrs. G. Richardson, Gormley; historical research and current events, Mrs. Norman Etheridge, King R.R. 2; public relations and community activities, Mrs. Roy Harper, Newmarket; home economics and health, Mrs. Jack Rock, King City; resolutions, Mrs. C. W. Marchant, Schomberg; auditors, Mrs. Gordon Baldwin, Temperanceville and Miss Doris Patton, King.

Centre York district accepted invitations to hold the 1953 annual meeting at Temperanceville and at Schomberg in 1954.

Resolutions passed included: A resolution presented by Snowball urging all branches to establish a weed and fence row clean up campaign with the co-operation of municipal councils and weed inspectors; at the request of the museum committee of York Pioneer and Historical Society, Temperanceville presented a resolution to request the department of highways to erect

a sign 15 feet south of Eagle Street and Yonge, directing traffic to Sharon Temple Museum and a finger post bearing the same information to be placed at the same intersection, and that Toronto and York Roads Commission be requested to place signs directing visitors to the Museum Temple, at Eagle and Main Streets, Main and Davis Drive, Davis Dr. and the third concession.

NOTICE Dog Owners

The North York Humane Society has been authorized by the Council of the town of Newmarket to license and control dogs within the town limits after June 2, 1952.

Dogs under proper control need not be tied up, but dogs running at large, or being a public nuisance, or without tags, will be impounded at the Humane Shelter, Main Street, North of Davis Drive. If not claimed, and the pound fee of \$2.00 paid within three days, the animal becomes the property of the Humane Society.

Licenses can only be obtained at the Humane Shelter, or from the Humane Inspector.

**Dog fees — Male \$2.00 Female \$5.00
Spayed Female \$2.00**

CARD OF THANKS

Many thanks for all the letters, cards, flowers and plants so kindly sent me during my recent illness. They were very much appreciated.

Mrs. Albert Morning

IN MEMORIAM

CONSTABLE—In loving memory of a dear mother, Maria M. Constable, who passed away May 28, 1946.

We do not need a special day, to bring you to our mind; For the days we do not think of you.

Are very hard to find. Lovingly remembered by son George, daughter-in-law Greta and grandson Jack.

HUGO — In loving memory of our brother, Ross R. Hugo, who passed away May 28, 1951.

"Vita brevis, ars longa."

Ever remembered by brothers and sister.

RICHARDSON — A tribute of loving remembrance for a beloved husband and father, Jonathan Richardson, who passed away June 3, 1949.

He is gone but not forgotten. But as dawn's another year, In our lonely hours of thinking, Thoughts of him are always near.

Days of darkness still come o'er us, Friends may think the wound is healed; But they little know the sorrow That lies within the heart concealed.

Ever remembered by wife and family.

STEPHENSON—In loving memory of a dear mother and grandmother, Lavina Ann Stephenson, who passed away May 31, 1951. Peacefully sleeping, resting at last.

The world's weary troubles and trials are past; In silence she suffered, in patience she bore, Till God called her home, to suffer no more.

Lovingly remembered by daughter Isobel, son-in-law Roy and granddaughter Patsy.

ENGAGEMENTS

Mr. and Mrs. J. Christian, Newmarket, announce the engagement of their daughter, Olga Maisie, to Mr. Arthur Robert Lee, son of Mr. and Mrs. Harold Lee, Newmarket, the wedding to take place Saturday, June 21, 1952.

Mr. and Mrs. Walter VanDyk announce the engagement of their daughter, Minnie, to Clayton Arthur Hare, son of Mr. and Mrs. Arthur Hare, the marriage to take place Thursday, June 12, 1952, at 2:30 p.m. at the Christian Reformed Church, Ansarveld. c4w22

Mr. and Mrs. Leonard Holman, Aurora, announce the engagement of their daughter, Shirley Marie, to Mr. Norman John Stundon, son of Mr. and Mrs. Clarence Stundon, Richmond Hill, the marriage to take place June 14, at 3 p.m., in Aurora United Church.

Mr. and Mrs. Robert Hartenson, announce the engagement of their daughter, Dorothy June, to Mr. Edward Austin Richardson, son of Mr. and Mrs. Austin D. Richardson, Vancor, the marriage will take place June 7, 1952, at 3 o'clock, at her parent's home, Markdale, Ontario.

Mr. and Mrs. Lloyd Prosser, Armitage, wish to announce the engagement of their daughter, Dorothy Doreen, to Mr. Earl Winch, son of Mr. and Mrs. Harold Winch, Sutton West, the marriage to take place on Saturday, June 28, at 11 a.m. in Trinity United Church, Newmarket.

CARD OF THANKS

I wish to extend my sincere thanks to all friends and neighbors for their kindness, messages of sympathy and beautiful floral tributes received during my recent bereavement. Many thanks are extended to the Robert Simpson Co. Ltd., the men of the Decorating Dept., the nurses of York County hospital, Dr. Carruthers, the pathologists and the Stranier Funeral Home, Queensville. Special thanks is extended to Rev. A. J. Arthur for his wonderful service and comforting words.

Mrs. Frederick Simpson

NOTICE TO CREDITORS

IN THE ESTATE OF GEORGE MICKS, LATE OF THE VILLAGE OF KESWICK, IN THE COUNTY OF YORK, GENTLEMAN, DECEASED.

CREDITORS of the above-named deceased, who died at the Village of Keswick, in the County of York, on or about the 20th day of March, 1952, are hereby notified pursuant to The Trustee Act to send to the undersigned proof of their claim on or before the 1st day of July, 1952, after which date the assets of the Estate will be distributed having regard only to the claims of which the undersigned will then have notice.

DATED at Newmarket this 22nd day of May, A.D. 1952. Ralph L. Boag, Executor by his solicitors, Mathews, Stiver, Lyons and Vale, Newmarket, Ontario. c4w22

NOTICE TO CREDITORS

IN THE MATTER OF THE ESTATE OF MINNIE ACHESON, LATE OF THE TOWN OF NEWMARKET, IN THE COUNTY OF YORK

NOTICE is hereby given that all creditors and others having claims or demands against the estate of the said Minnie Acheson who died on or about the 1st day of May, 1951, are required on or before the 20th day of June to send the solicitor for the Administrator of the said estate their names, addresses and full particulars of their claims.

A. P. Gilmore, 414 Bay Street, Toronto, Ontario, Solicitor for the said administrator. c4w22

BIRTHDAY CLUB

Birthday wishes are extended this week to:

Gladys Edwards, Schomberg, 14 years old on Friday, May 23. Bobby Love Arding, Newmarket, 8 years old on Friday, May 23.

Gordon Tony, Aurora, 10 years old on Saturday, May 24.

Helen Andrews, Queensville, 8 years old on Monday, May 26.

Keith Walker Stiles, Newmarket, 2 years old on Monday, May 26.

Romie Hill, Pottageville, 14 years old on Tuesday, May 27.

Murray Anthony, Lake Wilcox, 14 years old on Tuesday, May 27.

Robert Charles Archibald, Toronto, 11 years old on Tuesday, May 27.

Donna Kay, Belhaven, 13 years old on Tuesday, May 27. Douglas Arthur Cole, Toronto, 9 years old on Tuesday, May 27. Carole Anne Brennan, Newmarket, 2 years old on Wednesday, May 28.

Send in your name, address, age and become a member of the Era and Express birthday club.

ARMITAGE

Mr. and Mrs. Walter Terry attended the marriage of their daughter Margaret in Toronto on Friday evening. Miss Terry became the bride of Mr. Gordon Vallance of New Brunswick. The happy couple are honeymooning in Buffalo and on their return will reside in Toronto.

Mrs. John S. Smith returned home Sunday after spending a week with her cousin, Mrs. Olga Denby, Thornhill.

We wish a speedy recovery for Mr. Dave Doane who is ill with pneumonia.

The Sewing Circle are having a "Stanley" demonstration on June 11 at the home of Mrs. N. H. Rogers. Come and bring a friend.

A shower was held at the home of Mrs. Sim Graves on Thursday evening in honor of Miss Doreen Prosser, a bride-to-be of June. Assisting Mrs. Graves were Mrs. Alf Lewis, Mrs. C. Allair, Newmarket, and Mrs. J. Bowser, Jr., Aurora. Congratulations to Mr. Frank Doane, who will celebrate his 81st birthday on June 1.

Mr. and Mrs. Harry Franklin, Evan and John of Lansing, visited Mrs. John Smith on Sunday. We are sorry to hear that Mrs. Chas. Tugwell is in York County Hospital and we hope she will soon be home and feeling better.

Mr. and Mrs. Walter Reid and family of Sand Hill spent the weekend with Mr. and Mrs. Clayton Reid.

CARD OF THANKS

More words are inadequate to express our gratitude to each and everyone who has helped us through these days of sorrow with beautiful flowers, words of sympathy and deeds of infinite kindness. We can only say "Thank you so much."

Fred and Mary Jones and family

Aurora Cubs Lose First

Bill Mundell's hustling Aurora bantam Cubs suffered their first loss of the North York minor baseball league campaign Wednesday, dropping a 10-8 decision to the vastly improved Sutton bantam Greensox. Sutton levelled off with a late rally that broke up a 5-all tie to gain the decision.

Jack Brooks and Bud Sutton shared the Aurora pitching burden. Bill Wray and Bud Sutton supplied the batting spark. Southpaw Mike Gillan was the king-pin in the Sutton celebration, firing steady ball and along with Rudy Big Canoe, shouldered the Sutton hitting attack.

Davis Heads Tennis Club

Keith Davis was named president of the Newmarket Tennis Club at the annual meeting Tuesday evening at the Newmarket Tennis Club courts. Frank Dampf was elected first vice-president and Charles Lee second vice-president. Secretary is Glenis Challenor and treasurer Marsha Bennett. Beatrice Lyons and Norman Mathews were named honorary presidents of the club.

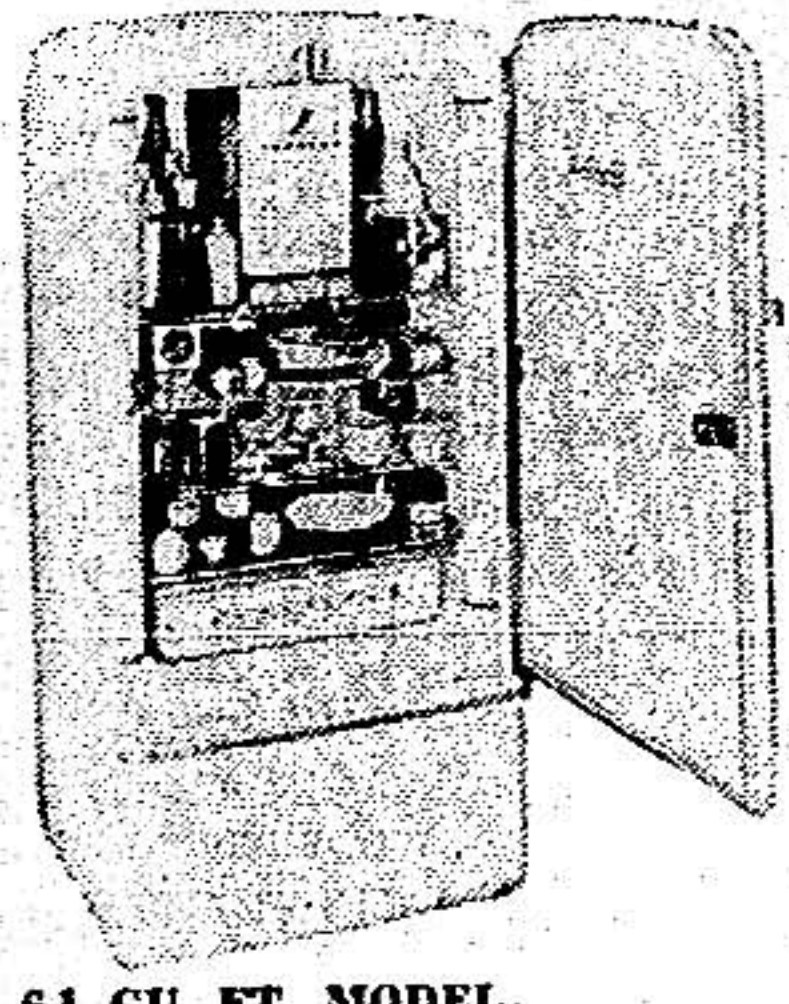

The club executive plans to put forth an extra effort to increase the membership and to fix up the club house. Early plans include a tournament for junior members and it is hoped to complete this during the second or third week in June.

AURORA ROTARY

A committee composed of S. G. Hoffman, Andy Barker, Bob Gundy, John Willis, Jr., F. P. Moffat, K. E. Bennett and Sam King has been working on behalf of the Salvation Army Red Shield campaign and realized very successful results.

Barbara Buys and Whys

MONTREAL — Don't let a lovely spring day catch you with the "blues". Chase them away with a glass of sparkling SAL HEPATICA before breakfast. And you'll agree—Sal Hepatica effervescent salts are pleasant to take—gentle as can be. When hubby or son isn't feeling "just right" either, suggest they try Sal Hepatica—it's been a faithful family laxative for over 60 years. Another beauty about Sal Hepatica is that you can use it safely merely as a refresher in the morning—or at night when your system feels the need of a more thorough remedy. So next time you're shopping—ask for a bottle of Sal Hepatica and send the box top or label, with your name and address, to me—Barbara Buys, Dept. M, 1411 Crescent St., Montreal, P.Q.—and I'll send you a FREE, generous size jar of MUM Cream Deodorant!

Miss Margaret Craigie, 14 Barrie Lane, Calt, Ont., is the first prize winner of \$2,000.00 in the CONFIDENTIALLY YOURS \$5,000.00 contest recently featured in this column. Payment by certified cheque has now been made to all 144 prize winners. A list of all prize winners will be furnished on request to Confidentially Yours, P.O. Box 350, Station H, Montreal.

Ah! This Is The Life... out in the fresh air, gardening to your heart's content. And with SNAP HAND CLEANER to remove all the gardening dirt from your hands, you don't need to care how "grubby" you get. That's why I always like to have Snap handy. For Snap removes all hard-to-get-off dirt in a flash... and yet it's kind to your hands. You see, Snap is effective three ways... contains three magic ingredients—fine Italian pumice and pure soap for cleansing—plus soothing, smoothing glycerin for conditioning. So don't worry about soiling your hands when you garden. Dirt disappears in a jiffy with Snap Hand Cleaner!

If Corns Have Got You Feeling Grim... Blue-Jay will put you back in trim! That's because the Blue-Jay folks have discovered a new, wonder-working medication for corns and calluses called Phenyltin. It took them ten years of scientific research to develop and perfect it. Tests conducted with Phenyltin and other regular corn medications proved conclusively that Phenyltin goes to work 33% faster, works 25% more surely than other remedies. Why suffer the aching torments of corns when this new BLUE-JAY ingredient removes corns in 10 out of 20 cases? For prompt relief from painful feet—just ask your druggist for Blue-Jay Corn Plasters with Phenyltin.

As Far As I Can See, the only really bothersome thing about these lovely spring and summer days is that no one wants to spend any time indoors—least of all, the kiddies! And often, mothers have to be downright cross to get the youngsters in to meals. But there is an easy way. Just say "Jell-O Pudding for supper" and watch the kiddies come scrambling in. Milk-rich JELL-O PUDDINGS are so delicious and flavorful the children love them. Mothers too, appreciate the smooth, nourishing Jell-O Puddings provide, and the speed and ease in preparation... no double boiler is needed. Keep several packages of the favorite Jell-O Pudding flavors on hand. There are four Jell-O Pudding flavors, and three Jell-O Tapioca Pudding flavors. Economical as they are satisfying.

Remember The Old Fable about the grasshopper and the ant? While the foolish grasshopper spent the summer chirping merrily, the industrious ant stored up provisions for the winter. And when the first icy blasts swept the landscape, you know who was in a pretty pickle! Therein lurks a lesson for all... The happier the summer, the faster it flies by. And the sooner Fall and Winter will be upon you. So provide for those new cold-weather clothes now—by regular saving! It's nearly raincoat time. If you don't, "you-know-who" will be wrestling last year's hat into an excuse for this year's fashion. Why not put a small amount aside every week in a Savings Account at the BANK OF MONTREAL? And if you find it hard to save steadily—as so many of us do nowadays—ask for your free copy of "Personal Planning for Successful Home-makers" at the B of M. It's helped Canadians from coast to coast—and it can help you, too!

JR. LADIES AID HAS MAY MEETING

The May meeting of the Junior Ladies' Aid, Christian Baptist church, Newmarket, was held at the home of Miss Erle Somerville. In the absence of the president, Mrs. Robert Dick, Mrs. William Robinson presided over the business session.

Mrs. Lewis Coombs was in charge of the program and gave a reading, "The Inner Sunshine". Mrs. W. E. Andrews led in prayer and Mrs. Ralph Adams assisted in the devotional period. Miss Violet Curtis was guest soloist. A social half-hour closed the evening when refreshments were served.

INTER-CLUB GROUP FIRST MEETING

The first dinner meeting of the Interclub council of Business and Professional Women's clubs was held on Tuesday, May 20, at Summit View Inn. Eleven members of the Newmarket club were among the 60 present.

Guest speaker was Miss Lilas Trout, president of the Brampton B. and P. club. Miss Trout spoke on "Our Heritage." Miss Norine Ayers, Newmarket, proposed the toast to the International Federation of B. and P. clubs and thanked the speaker for her informative address. Officers and executive members from B. and P. clubs in Aurora, Richmond Hill, Stouffville, Brampton, Newmarket and Markham-Unionville were present.

IT'S A Woman's World

BY CAROLINE ION

Last week was designated as "Business Women's Week". Throughout Ontario attention was focused on the Business and Professional Women's clubs in the province.

The Newmarket club was organized in 1948 when at the June meeting the charter was presented to the first president, Miss Kay Peel, Reg. N. Successive presidents have been Mrs. Jean Elines, Miss Laura Whitfield (Mrs. C. Boyd) and Miss Norine Ayers. Miss Ayers this year begins her second term of office.

From its beginning, the Newmarket B. and P. club has held regular meetings throughout the year with the exception of July and August. In June the group closes their season with a picnic at the summer home of one of the members. The regular monthly meetings have been held as dinner meetings usually at the King George hotel, giving the members an opportunity for additional social contacts often missed at regular evening meetings.

The programs for these dinner meetings have been varied with local and out-of-town speakers addressing the members on topics of current interest. Panel discussions, movies, impromptu speeches by the members held in conjunction with a course in public speaking have been included in the club's programs.

One of the winter meetings takes the form of a theatre party when the members with their friends attend a performance at the Royal Alexander in Toronto. The trip made by chartered bus provides a very pleasant evening which is climaxed with an after-theatre supper party. Exchange visits with neighboring clubs add variety to the program and special functions sponsored by the Interclub council.

INSTALL OFFICERS AT B. AND P. CLUB

Mrs. Charles Boyd, past president of the Newmarket B. and P. club, conducted the installation of officers at the club's annual meeting on Monday, May 19. Held in the King George hotel, the dinner meeting was presided over by Miss Norine Ayers.

Reports on a successful year were presented by the officers and committee chairmen. The club will hold a draw on a portable radio in aid of the hospital in the fall. Tickets will be available from the members during the summer.

The next meeting will be the club's fourth birthday party which will take the form of the annual picnic. It will be held on Wednesday, June 4, at the summer home of Mr. and Mrs. Alex Eves, Lake Simcoe.

W.M.S. RAISES \$10 AT SPECIAL SALE

Over \$10 was raised through their "Buy and Sell" sale held at the regular meeting of the Junior Evening auxiliary, W. M. S., Trinity United church, Newmarket, on Tuesday, May 20. Each member brought an article which was offered for sale to another member.

The meeting was held at the home of Mrs. Ernest Hill. Mrs. Bruce McClymont presided and Mrs. Charles Jamieson took the devotionals. Members are reminded to leave their donations for the sale at the home of Mrs. Smith, 24 Andrew St., before June 17.

Following the business meeting, refreshments were served. The hostess was assisted by Mrs. Carson Robinson, Miss Jean Hunter, Mrs. J. A. Maitland and Mrs. Al Smith.

News Of The W.I.

News for this column must be in the office Monday night. Copy must be written as briefly as possible and confined to news and reports. Other than routine reports and announcements will be printed separately.

The presentation of a silver Victorian bracelet and a quaint costume pin to Miss Doris Patton, retiring secretary of King City branch by Mrs. Donald Rawling, at the home of Mrs. Aubrey Campbell, May 13, came as a complete surprise to her. Miss Patton began her secretaryship under Mrs. Rawlings six years ago. Presenting the gifts on behalf of the Institute, Mrs. Rawlings spoke of the faithful and efficient service rendered by Miss Patton, whose dependability had helped her and the succeeding presidents to such a great extent. She complimented Miss Patton on the wonderful condition of her books and accounts.

Accompanying the gifts was a nosegay of forget-me-nots and tulips. Accepting the tokens of appreciation, Miss Patton felt she was not deserving of "her" the nice things. She had enjoyed the work and the association with others, but was glad to pass the office on to another's experience. Mrs. Doris Willoughby is her successor.

The regular May meeting of Vandorf branch was held at the home of Mrs. F. van Nostrand, with Mrs. C. Powell, the president, guiding affairs, and Mrs. S. Aylett, the new secretary-treasurer, making her first official appearance.

The meeting was a long one, with considerable business to dispose of and many reports to be heard. The treasury being in such a healthy position, many of our yearly financial obligations were disposed of at once, and it was unanimously decided that we should subscribe to the United Nations Association and study its reports during the year. Arrangements were completed to cater for the Conservation Club dinner next Wednesday night, and Mrs. Wicks was authorized to "shop" for dishes, so sorely needed to facilitate our catering. It was decided that the July meeting should again be a Field Day, and that the Community Penny Sale should take place then as well, with the proceeds going to help swell the slim purse of the Whitechurch Community Park.

Mrs. Ray McCarron offered her house for the 1952-53 program planning meeting, to be held on Monday, June 9, at 8 o'clock. All members are welcome to attend, especially welcome if they bring with them their ideas and suggestions. Mrs. H. S. Fry, a comparatively new member, generously offered to house the June meeting.

Mrs. Powell and Mrs. F. van Nostrand reported fully on the Guelph Conference; and Mrs. George Richardson, on her attendance at the district annual. The reports were excellent and informative, and were made all the easier to digest because the program committee had arranged that there should be entertainment between their presentation.

The Institute Quintette sang several songs and being in our own ballroom, we were able to give full vent to our applause without any false show of modesty for their splendid performance. The musical future of the community appeared safe too, to judge by the sterling performance given to "Home on the Range" and "The Grandfather Clock," by eight youngsters from the Vandorf School. They were accompanied by young Gail Aylett, who also gave us a piano solo.

The roll call was "Sing, say or pay," but the meeting had been so long that our treasurer smartly suggested that there was really only time to pay - our annual fees. We cheerfully paid up and adjourned for tea, provided by Mrs. G. Mackey, Mrs. William Yake and Mrs. H. Hilary.

Union St. branch will meet at the home of Mrs. Walter Rose on Thursday, June 5, at 2 p.m. Roll call, "My idea of a good citizen." The report of the district annual will be given. Topic, Citizenship and Education. Program committee, Mrs. L. Swan.

The Newmarket branch met in the Agricultural Board rooms on Thursday, May 22, with Mrs. Elman Campbell in the chair. The annual financial statement was presented by Mrs. Charles Willis. Mrs. George Luesby gave the financial report for the rest room.

The June meeting will take the form of a picnic. Institutions will join with the York Pioneers at Sharon Temple grounds on Saturday afternoon, June 14, for the annual picnic.

Interesting reports were presented by Mrs. Elton Armstrong, Mrs. Phil Hamilton and Mrs. Charles Near on the convention at Guelph. At the close of the business session, lunch was served and a social half-hour was enjoyed.

Lasky branch appreciated a rug hooking demonstration given by Mrs. J. P. Norris, rug hooking convener of Kingcrafts, at the May meeting held at the home of Mrs. L. J. Glass. Mrs. Norris exhibited several of her rugs, among these, the Kingcrafts raffle prize for June 4. The branch made donations to the Institute for the Blind and toward the Salvation Army campaign. A donation of \$5 will be given to Strange school to be used by the teacher, Miss Farley, as a special award at the closing exercises on June 24.

Miss Blair Burrows was the speaker at the May meeting of King City branch at the home of Mrs. Aubrey Campbell with 44 present, including several visitors from Lasky and King Ridge branches, and Mrs. Frank De Carl of King City. Miss Burrows built her mud house on the sixth concession 13 years ago, using the rammed earth method. Anyone strong enough to lift a 15 pound weight could work on it," she said. Earth was taken from the ground after the top soil was removed. It was shovelled into wooden frames and pounded until firm. To have success the earth must be clay with nearly 80 percent sand content. To place the doors and windows the frames are set in the forms and earth pounded around them. There is no lath or plaster inside and the surface can be painted. More than that, there is "no draft in a mud house." Miss Burrows discovered this when her stone fireplace smoked so badly. It was not until she had made an opening in the living room that the situation was corrected.

Mrs. George Harvey showed sound movies of the "Blue Light" scenes of hydro development industry throughout Ontario. Other items of interest were the appointment of collectors for the York County Hospital fund campaign, sponsored by the Hospital Aid; the consent of Mrs. George Billings to convene for sewing on little boys' suits for the Hospital Aid bazaar in November and a request of knitted socks and mitts for 10-year old children in the interests of the same bazaar.

It was agreed that local branch conveners be provided with notebooks to be used at monthly meetings of the Institute for making records on matters pertaining to her department, these to be passed on to her successor when her term of office expires. The branch took 130 draw books in connection with the annual carnival given by the Athletic Association on July 16. The branch accepted an invitation from Miss Burrows to hold a picnic meeting at her home. "Charms."

The executive and conveners met at the home of Mrs. Stan Hunter last Thursday to draw up the schedule of monthly programs for the coming year.

DIABETICS!

YOUR DOCTOR NEEDS YOUR COOPERATION!

The successful treatment of diabetes depends on a close and friendly cooperation between doctor and patient. This full cooperation plus faithful adherence to doctor's orders as to diet, insulin, and exercise, - will allow the diabetic to lead almost the life of a healthy person. We are prepared to assist the diabetic in carrying out the doctor's instructions. We carry a fresh supply of insulin in all strengths under constant refrigeration. We also have available needles, syringes and testing sets.

Records Topple At Meet

Eight records, many of them long established, were broken in the Newmarket High Schools annual track and field meet completed Friday afternoon. Three senior boys' standards fell and five in the junior boys' division. Taylor Gilbert featured in senior with two record shattering efforts in running broad and hop, step and jump. Gilbert leaped 19' 10" to wipe away Tom Dales' 19' 5 1/2" mark established in 1944. Gilbert's 39' 8" hop, step and jump mark erased Bob McTavish's 1942 mark of 38' 5 1/2". Jerry Hugo lobbed the discus 135' 4 3/4" to add 10 feet to the old record set by D. King in 1946.

Fleet-footed Paul Hillaby stole the junior show, soaring 17' 6 1/2" in running broad (old mark 15' 9 1/2" set by E. Mosley in 1939) and in hop, step and jump 36' 4" (old record R. McMullen, 1933, 31' 8 1/4"). Paul Widdfield framed a new shot put mark, Don McKnight a new junior discus and Gordon Downward tacked 7" on the junior standing broad jump record with a leap of 8' 8".

Boys' individual champions were senior, Jerry Hugo 30, runner-up Ron Lockhart 28; intermediate Bob Dick 28, runner-up Bob Forhan 16; junior,

Paul Hillaby 23, runner-up Paul Widdfield 20. In the girls' division, champions were senior, Isobel Rogers 19, runner-up Jeanne MacDonald 15; intermediate Elsie Mitchell 18, runner-up Eleanor Smith 11; junior Peggy O'Halloran 15, runner-up Lorraine Dolan 13.

Results: running broad, Gilbert, Hugo, Robinson, 19' 10" (record); standing broad, Gilbert, Hugo, Robinson and Lockhart, equal, distance 9' 3 3/4"; hop, step, jump, Gilbert, Hugo, Robinson, distance, 39' 8" (record); high jump, Hugo, Bell, Gilbert, height 5' 3 1/2";

Pole vault, Lockhart, Greig, height 7' 6"; discus, Hugo, Gilbert, distance 135' 4 3/4" (record); shot put, Hugo, Trivett, Gilbert, 32' 10"; 100 yards, Lockhart, Hugo, Irwin, 11 sec.; 220 yards, Lockhart, Hugo, Shropshire, 25.38 sec.; 880 yards, Lockhart, Shropshire, Gabel, (no time taken);

INTERMEDIATE
Running broad, Dick, Forhan, Tate, 18' 2 1/2"; standing broad, Dick, Gibney, Tate, 8' 9 1/2"; hop, step, jump, Forhan, Tate and Dick equal, Wheeland, 36' 5 3/4"; high jump, Evans, Forhan, Tate, 5' 3 3/4"; pole vault, Keffer, Tate, Wilson, 8' 9 1/2";

Discus, Dick, Tate, Evans, 112' 3 1/2"; shot put, Tate, Sinclair, Wheeland, 32' 3 1/2"; 100 yards, Dick, Wheeland, Forhan, 11 sec.; 220 yards, Dick, Wheeland, Forhan, 26.50 sec.; 880 yards, Wheeland, Forhan, Wilson, 2 min. 40.5 sec.; 880 yards relay, 11A, 10B, 10A; 1 min. 48 sec;

JUNIOR
Running broad, Hillaby, Widdfield, Morton, 17' 6 1/2" (record); standing broad, Downward, Hillaby, Galbraith, 8' 8" (record); hop, step, jump, Hillaby, Widdfield, Downward, 36' 4" (record); high jump, Downward, Widdfield, Watts, 5';

Pole vault, Lewis, Morton, Page, 7' 6"; discus, McKnight, Porter, Mills, 31' 1 1/4" (record); shot put, Widdfield, Morton, Horner, 37' 7" (record); 75 yards, Hillaby, Widdfield, Morton, 8.7 sec.; 100 yards, Hillaby, Widdfield, Morton, 11.6 sec.; 880 yards, Morton, McKnight, Lewis, 2 min. 37.3 sec.; 440 relay, 9C, 9F, 9B, 37.5 sec.

SENIOR GIRLS
Standing broad, C. Rose, J. MacDonald, I. Rogers, 7' 1 1/4"; high jump, B. Watt, I. Rogers, C. Rose, 4' 1 1/2"; 75 yards, I. Rogers, J. MacDonald, B. Watt, 10.4 sec.; softball throw, I. Rogers, J. MacDonald, B. Watt, 157' 6"; Softball speed, J. MacDonald and B. Watt, E. Smith and J. Leadbetter; E. English and C. Rose, 94; basketball speed, M. Arkinstall and I. Rogers, J. Leadbetter and E. Smith, J. MacDonald and B. Watt, 91; baton relay, 12A, 11A, 11C, 63.7 sec.

INTERMEDIATE
Broad jump, E. Mitchell, D. Gilman, B. Watt, 7' 1"; high jump, D. Gilman, E. Clements, B. Watt, 4' 2"; 60 yards, E. Clements and E. Mitchell tied, B. Comer, B. Elliott, 8.3-10 sec.; softball throw, E. Mitchell, B. Watt, B. Elliott, 125' 8 1/2"; softball speed, N. Baker and B. MacDonald, E. Mitchell and M. Dorman, E. Taylor, B. MacArthur, 96;

Basketball speed, J. Vance and E. Smith, J. King and M. Davies tied, L. Gibson and F. Harrison, E. Clements and L. Clark, 89; baton relay, 10B, 10C, 10A, 63 sec.

JUNIOR
Standing broad, P. O'Halloran, S. Beare, M. Evans, 7'; high jump, R. Wadsworth and S. Beare tied, P. Brown, G. Jarvis, 4' 4"; 60 yards, S. West, S. Link, N. Waterhouse, 9.1 sec.; softball throw, M. Sills, K. Peters, L. Dolan, 143' 8";

Softball speed, B. Robinson and P. O'Halloran, L. Dolan and B. Lucas, J. Pemberton and S. Link, 99; basketball speed, L. Dolan and B. Lucas, F. Markham and C. Balsom, D. Lockhart and S. West, 89; baton relay, 9A, 9C, 9E, 1.01 1-2 sec.

Tip the Profit Scales -in your own favour!

Sure, you make money by marketing your own grains. They're good for your livestock, too. But grains alone won't do the job you want from your livestock. Give your livestock the necessary balanced nutrients, contained in XL (EXCEL) Concentrates—the proteins, minerals, and vitamins that make profits grow! You can't afford to feed grain alone.

Good Health - Fast Growth - Top Production
Have us mix your grains with XL (EXCEL) Concentrates this way—

For Dairy Cows in Production: 1 Bag XL (EXCEL) 24% Milkmaker Concentrate to 4 bags of your own grain.

or 1 Bag XL (EXCEL) 32% Dairy Concentrate to 6 Bags of your own grain.

For Growing Hogs: 1 Bag XL (EXCEL) 35% Hogmaker Concentrate to 4 bags of your own grain.

OR 1 Bag XL (EXCEL) 40% Hog Concentrate to 5 bags of your own grain.

There's a full line of XL (EXCEL) Concentrates for every feeding need of your livestock and poultry.

THE Calvert Sports Column

by Elmer Ferguson

This column being all in favor of bestowing credit where the same is due, we take this opportunity to belatedly doff the chapeau in the general direction of far-away Australia.

It's an oldish story now that the forces from Down Under won the Davis Cup, emblematic of world tennis superiority, so that at least one major sports triumph went to the lean credit side of the British sports ledger before 1951 closed out.

But that isn't exactly the point we had in mind. What we wanted to say is that the over-all Australian Davis Cup record is almost miraculous.

From a scant population (somewhere in the neighborhood of 10,000,000) it has for 50 years developed some of the greatest tennis players in history - Anthony Wilding, the all time No. 1 southpaw, Sir Norman Brookes, Gerald Patterson, James Anderson, Pat O'Hara, Adrian Quist, John Bromwich and now, in the last couple of years, Sedgman, McGregor and Rose.

Despite a comparatively meagre population to draw from, Australia has, during the period since 1900, sent 20 of its teams into Davis Cup Challenge rounds and its players have won nine times.

The United States, provided with talent from the great California tennis mill, has participated in 33 challenge rounds and of these has lost more than it has won. The score is: U.S. 15, Opponents 18. In ratio of population, Australia tops them all in tennis success.

The Aussies defeated powerful British teams twice and the United States squads seven times, with Brookes and Wilding doing the racket swinging for the Aussies on four occasions.

Australia was not knocked out of the picture by the first war or by World War II, either, despite staggering losses of man-power. Its players made the challenge round 13 times, from 1919 through 1951, but lost twice to Great Britain, nine times to the United States partly due to the reign of the famous "Big Bill and Little Bill" (Tilden and Johnston) combination.

How long they can hold on is another matter in view of the quantity production in the United States. But they won it against the best the United States could produce, even though there was nothing in the 1951 series to compare with one of the most famous matches of Davis Cup history. That was in 1914 when Australia's Brookes and Wilding played together for the last time, America's "Comet" McLoughlin and Brookes were opponents in a terrific match, the first set of which went 32 games, the longest in Davis Cup history for many years. The Comet finally won in straight sets.

The Aussies, however, won the title, 3 matches to 2. Both Brookes and Wilding then went to war and Wilding was killed with thousands of other Aussies in the Gallipoli campaign.

So, this observer believes, a rousing cheer, a verbal pat on the back, and a hearty nod of appreciation, is due to the hardy Australians, who produce quality despite a lack of quantity.

Your comments and suggestions for this column will be welcomed by Elmer Ferguson, c/o Calvert House, 431 Yonge St., Toronto.

AMHERSTBURG, ONTARIO

Jr. Gals Beat Aurora

Prepping for their Lake Simcoe Junior ladies' softball league campaign, Newmarket Pin-ups and the newly organized Harold Stephenson-Tracy Barrager guided Aurora entry staged an exhibition game at the S. S. grounds Tuesday. Judging from returns from their first meeting the two teams are likely to put on some stirring battles this summer.

Ten to nine trailers going into the last of the seventh, Newmarket Pin-ups rallied for a pair of runs to take down the 11-10 decision. Joan Robinson singled, Joan Quinn walked and Marlene Martin tripled to provide the winning spark. Coach Geo. Watt went along with three pitchers, Loretta Forhan, Marlene Martin and Glenn Woodhouse. Tracy and Stevie put their hopes on Dot Castles.

Lake Wilcox	0	1	0

Mount Bantams Start

Mount Albert Legion sponsored bantams made their initial start in organized baseball Tuesday, paying a visit to Richmond Hill for a scheduled North York minor Baseball League contest. Result: Richmond Hill 12 Mount Albert 10. Take away one frame, the third when the Hillers plastered seven runs, and the Mounties would have nailed a win in their first attempt at the big diamond game.

Mounties showed promise with Brian Stokes and Gord Minnick sharing the pitching load and most of Morley Case's tribe managing at least a hit each. They'll likely make it hot for all comers before the season is much older.

Mount Albert: H. Harper c, B. Stokes p, G. Minnick p, B. Young 1b, C. Case 2b, K. Rose ss, J. Rennie 3b, J. Green, S. Wagg, K. Graham out.

Aurora Loop Opens

Aurora's softball faithful better head for the park tonight (Thursday). The town leaguers are scheduled to throw the switch on the 1952 season. Four teams, Dick Ferguson's Rockets, Cliff Chapman's Merchants, Mickey Sutton's Ditch Diggers and Civil Service (Hospital) are in the race for the town league title.

Fergie's Rockets and Chappie Merchants take front and center tonight at 7 chimes to get the season percolating. Councilors Vic Jones, Ralph Tucker and Jim Murray will be on hand to see the opening ceremonies are fittingly handled, reports league president Len Holman.

Early league schedule is: May 29, Rockets vs Merchants; June 3, Ditch Diggers vs Hospital; June 5, Merchants vs Ditch Diggers; June 10, Hospital vs Rockets.

Leafs, Royals Win

Leafs and Royals were victors in the Saturday morning school pee-wee baseball league. Good pitching from Ralph Bray and Brent Macnab staked Leafs to a 9-6 win over the Cubs. It was the Leafs' second win and shot them into undisputed possession of the league title. Don Bone provided the fire-works in the big fifth with a grand slam homer. Dave McComb got into the Leafs' hit act with two solid pokes. Terry Budd and Francis Lewis, sharing the Cubs' hilltop, collected the Cubs bingles.

A three innings, no-hit effort by Jim "General" McArthur, enabled Royals to blank Chiefs 10-0 in the late game. Royals sprang to attention with six in the first and four in the second. Gary Campbell, Jim McArthur and John "Chubby" Guillems provided the Royals' hits. Jim McArthur racked up six strikeouts over the three frame stretch.

HASHMAN AWARD

Hobson For One-Hitter

Sluggers have their fun in May and June, pitchers dominate in the dog days of July and August, leastwise that's supposed to be the procedure. Somebody must have written a new script this past winter. Some terrific pitching efforts have been turned in over the past week, notably Lon Ganton's three hitter and Bill VanZant's five hitter, but highest rating is that of Phil Hobson, King City's fancy dan chucker.

Tuesday, Phil gave out with a mid-season pitching exhibition and speared a one hitter and made it possible for Bruce Hall and his King City henchmen to celebrate a 2-1 win over Bolton in the tightest pitcher's duel of the blossoming Peel-York Softball season.

Harvey Wallace was the spoiler of Hobson's no-hitter bid with a second frame single. So this week we're naming Phil Hobson for the Hashman award and Roxy Theatre pass for a nifty one-hitter.

Thompson - Bell Spill Specialty

One pitch Monday won and lost a ball game as Thompson-Bell decided Office Specialty 4-3. It was a 3 all ball game—last of the seventh. Don Smith holed up at third—Mickey Smith was T-B batter. Peter Neufeld called John Sheddlock off the Specialty hill and substituted Lefty Don Glover.

Lefty threw a high over Tod Mosier. Don Smith got home and T-B were the winners 4-3.

Earlier, Thompson-Bell took a 1-0 second frame lead off Mickey Smith's base cirler. Harvey Murray meanwhile had Specialty's eating humbling tie—that is until the fifth when they broke out with a three-run surge on a pair of outfield errors on John Hisey's and John Sheddlock's belts and Bun Cook's base clearing four sacker.

Alfie Peel's pole climbers shaved the Specialty lead to 3-2 as John McTavish singled home Bill Johnston who had doubled to open the fifth. That brought out the last of the seventh when John O'Reilly stroled to start Thompson-Bell rally, Bill Johnston popped out, Don Smith singled, John McTavish singled

O'Reilly home to tie it and moved Don Smith to third from whence he scored the winner.

Ray Smith's Sports-Cycle tribe were again the underdog in the floodlight game. Bill VanZant's five-hitter, coupled with two-run outbursts in the first, third and fifth, stake Hoffman to a 9-4 win over the winless Cycles. Coach Bert Kent scraped the Cycles' pitching corps barrel clean, going with his Ace Ted Tidman, followed by Art Dobbie and Ivan Gibson. They all looked alike to the Hoffman swing platoon who collected 10 hits. Fred Dillman, Roy Smalley and Al Wilson led with a pair each.

Cycles started and finished strongly with a pair of runs in the first and seventh but could not get a rally moving in between. Alvie McKnight, Wayne Robinson, Ivan Gibson, Nobby Ash and Murray Rose dished up Cycles' safeties. The latter two rookies should give the Smithmen a plate lift.

Combination of a Bell and Hoffman win coupled with a Specialty loss created a three-way tie between the trio for league leadership.

Sr. Girls Lose Opener

President Earby Ruthven and coach Charlie VanZant, the big two of the senior ladies softball nine, will trot out their 1952 edition Thursday night at the Fair Grounds. Barrie will provide opposition and game time is 7 chimes.

Peaches VanZant led Newmarket to Midland Monday to aid the northerners in kicking off the 1952 Barrie and District season and in the process Newmarket absorbed a 12-8 loss. Our gals led 4-0 down to the sixth on Terry Reid's grand slam homer, Edna McGrath's four bagger and two hits each by gilt edge twins, Phyl McInnis and Mona Dean.

Hester Clark was pitching steady ball with Terry Reid and Barbara Watt backing up her pitching with solid fielding gems. Everything, in fact, was going according to Coach VanZant's prepared script, then trouble developed.

Midland, noted for late rallies, got busy with the stick work and before their sixth and seventh frame rallies could be choked off, eight runs were home and the ball game was a gone goose.

Newmarket: Mona Dean, Hester Clark, Barb Watt, Phyl McInnis, Jeanne MacDonald, Mary Osborne, Lois Darrach, Edna McGrath, Edna Sleigh, Terry Reid, Carol Burton.

Redmen Lose Opener

Newmarket kicked off their home season in the South Simcoe Baseball League Friday at the Fair Grounds. Everett Maple Leafs, one of the strong sides of the circuit, made it a dismal starter by booting home six first frame runs and protected that margin for a 9-6 win over our budding baseballers.

Jimmy Cook drew the starting assignment. Cookie had a brief, pained and rocky existence. Ludlow, first up, doubled. Cookie dished up two walks, hit a batsman and then with the bases populated and a perfect cut off at the plate staring him in the face elected to chuck a slow roller wide of first base. Everett had four runs and before Orrie Thoms could choke off the rally two more were cashed.

Local partisans had little to

hoot about until the lights flicked on in the sixth. The Redmen did get the shut-out killer in the fifth on an error and back to back singles by Cliff Gunn and Stan Winger. Redmen started the sixth in a business like way as Motts Thoms singled, Orrie Thoms stroled and spidery Don Gibson put good willow to a pitch for a base clearing homer.

Cliff Gunn's third hit, an error and Stan Winger's double put home two more to build the Newmarket total to six. There it stayed through the seventh as Sharkey Jenkins put down the impending local rally in one two three order. The visiting veteran moundman had our men biting solidly at his "nothing pitch" to string 15 whiff victims numbering Alvie McKnight four times and Wayne Robinson thrice in his bag.

Wrestlers Draw 800

Wrestling returned to the Memorial Arena Saturday night. The big league three-bout card, plus the attendance of ex-heavyweight champion of the world Jack Dempsey, drew a disappointingly small 800 odd clients.

Dempsey was on hand to see no mayhem was committed in the main go between Yukon "The Chest" Eric and Jim "The Bull" Wright. Despite the fact Eric boasted a lot of red in his lumber jack shirt it failed to arouse "The Bull" to a tempest and after 13 minutes of tie and untie grappling The Bull was disqualified for nefarious deeds beyond the wrestling code. (Whatever that might be.)

Eric pumelled his lighter opponent from hither to yon after the prescribed rest and had the Montana musclemen hog-tied and flattened after 12 minutes to wrap up the bout in two straight falls.

In the card opener, Bill Stack of Oshawa, a local fan favorite, was able to wiggle out of numerous (supposed) permanent head locks applied by Charro Aztec, the New Mexico fugitive, to gain a draw.

The semi-final session between Wee Willie Davis, who supplied the villainy, and Zorra the French Tarzan, the good boy, aroused the fans to a high pitch of excitement. Right prevailed when the villainous one tried to part Zorra's eyes from his eyeballs, referee Sam Goddard making himself the hero by awarding the bout to the Frenchman via a disqualification.

SPORTS CALENDAR

(May 29 - June 5)

May 29, 7 p.m., fair grounds, Barrie & District Ladies, home opener, Barrie vs Newmarket; 7 p.m., S. Summit vs Woodbridge, Schomberg vs Nobleton;

June 4, 7.15 p.m., fair grounds, Town League double-header, Specialty vs Thompson-Bell, Sports vs Hoffman; 7 p.m., Bradford park, South Simcoe baseball league, Newmarket Redmen vs Bradford; 7 p.m., Mount Albert park, North York minor baseball, bantam, Lake Wilcox at Mount Albert; 7 p.m., Lake Simcoe Junior Ladies softball league opener, Mount Albert at Keswick; 7 p.m., Lake Simcoe league, Willow Beach vs Belhaven;

June 5, 7 p.m., fair grounds, Barrie and District Ladies, Stayner vs Newmarket; 7 p.m., S. S. diamond, North York Minor baseball, bantam, Aurora vs Newmarket; 7 p.m., Lake Simcoe softball league, Belhaven vs Mount Albert, Pine Orchard vs Vondorf; 7 p.m., Lake Simcoe Junior Ladies, Sutton vs Queensville; 7 p.m., Peel-York softball, Woodbridge vs Bolton, Nobleton vs Kettleby, Pottageville vs Humber Summit, King vs Schomberg.

King Wins Mound Duel

Peel-York Softball League teams had a thrilling week. King City softball faithful saw Phil Hobson come up with a one-hitter to stop Bolton cold 2-1. Phil had his no hitter spoiled by Harvey Wallace's second innings single. King managed three safeties off Bolton moundman Johnnie Pilson who was going almost pitch for pitch with Hobson. Jim MacDonald, Tom Hulme and Jim Patton produced the King City hits and two winning runs in the sixth.

Alan Cutting's Kettleby Jets racked up their first triumph of the season Tuesday to the cheers of the home flock. Underdogs 7-4 going into the last of the seventh, Kettleby blasted for four runs to ease out an 8-7 win over Pottageville. Floyd Tilson supplied the winning run, John Lawlor, Mike Lawlor, Don Busby and Frank Lasoski sparked the Kettleby hitters. Howard Archibald, Ken Archibald and John Weeden were tops in Pottageville camp. Frank Lasoski won the pitching decision over Howard Archibald.

Elgin Hastings's Schombergers counted a win and a loss. Smashing for seven first and four eighth innings runs, Schomberg topped Bolton 15-6. Doug, Mareham, Mickey McCabe, Shorty Dale and Don Rainey provided the bulk of heavy Schomberg clubbing. Doug Brown and Murray Edwards recorded a fairly easy pitching triumph. Harry Lostchuk and Tommy Dwyer were Bolton hit masters as Bolton scored three in the seventh and three in the eighth.

Schomberg suffered its first loss of the season Tuesday, losing 10-3 to Humber Summit.

Strong Q'ville Entry

Here's a warning for the other teams in the Lake Simcoe Junior ladies softball league. Queensville are definitely coming in with a cracker-jack ball team. Coach Wilbur, Beckett and manager Evelyn Miltstead sent the Queensville gals against Keswick, old hands at the game, in an exhibition game Monday. Result is Queensville came up with a stunner 22-19 win over the Hate-Mundy combines from up the lake shore.

Helen Burbridge, pitched the winning effort with ready hit support from catcher Helen Watts and the King sisters. Queensville cuties will stage their home league games on Thursday nights.

Queensville Start With Win

Bantams Open With Win

Frank Hollingsworth's Optimist bantams had their first sip of North York Minor baseball league action Friday. The local atoms put in a scheduled appearance at Oak Ridges for a showdown with the newly organized Lake Wilcox entry. Sky-rocketing for seven first innings runs, the Hollingsworth charges steamrolled to a 17-5 win.

Jack Cain worked two frames without allowing the Lakers a single hit. Don Thoms took over in the third, was nicked for three hits - all the Lakers managed - and the Wilcoxers ran that trio of socks into their five runs. Don Zogalo toed the rubber in the final frame and set the homesters down hitless and runless.

Newmarket clubbers accumulated six hits. Bill Cain with two. Don Zogalo, Bill Forhan, Bob Wilson and Lorne Babcock whacked away at a hit apiece pace. Babcock made his two sacker, the only extra base ball of the contest.

Six Enter Jr. Ladies

President Stan Beechner of the Lake Simcoe Junior ladies softball league reports the league will have six teams this season. They are Sutton, Keswick, Mount Albert, Queensville, Newmarket and Aurora. Belhaven, supposed seventh team, have dropped out and several of their last year's team are expected to add strength to Dave Galoway's Sutton lady Greensox.

Aurora and Queensville are new entrants this season. The League will open with a three-game card next week. June 4, Mount Albert at Keswick, June 5, Sutton at Queensville, June 6, Newmarket at Aurora. The following week, the league teams will swing into full bloom with a home and away game as follows: June 9, Keswick vs Sutton; June 10, Queensville vs Newmarket; June 11, Aurora vs Keswick; June 12, Mount Albert vs Queensville; June 13, Sutton vs Aurora; June 13, Newmarket at Mount Albert.

TRY AGAIN FRIDAY

What happened to all the budding soccer players? Last Thursday's meeting brought out one would-be kicker. A second attempt to organize a Newmarket soccer team has been called for Friday, May 30, in the town hall basement at 9 p.m.

Twin Bill Saturday

Newmarket and Aurora minor baseball teams, pee-wee and bantams, will renew their long standing rivalry in a twin-bill exhibition attraction at the Fair grounds Saturday afternoon. Pee-wee game is called for 1 p.m. and the Aurora-Newmarket bantams at 2.30 p.m.

"We're seeking exhibition games for our pee-wees, bantams and midgets. We'll take on anybody, anywhere, anytime," reports Coach Frank Hollingsworth. Incidentally, the midget hardballers require a sponsor. Enough players are available for a good team and there's a league waiting to accept them. Anybody interested?

REDMEN VS PALGRAVE

Palgrave Athletics, fresh from an 8-3 triumph over Shorty Turan's Bradford nine, will be the visitors to the Fair Grounds Friday evening for a South Simcoe Baseball League showdown with the local Redmen. Game time is 7 p.m. Coach Hark Cain will likely send his southpaw ace, Ivan Gibson, against the westerners in an attempt to nail down a first home triumph.

Tennis Club, Lawn Bowlers Preparing For Good Season: Aurora, Mt. Albert Stories

Sport at the McMahon park is unusually promising this season. The Tennis courts are taking on invigorated activities. The report published in Aurora News Page last week indicates a new, strongly organized club with a likelihood of a large influx of new members. The former glories of the Aurora Tennis club are likely to return again this year.

The Parks board has undertaken work at the courts which will put them in fine shape. They are ideal courts, situated in attractive surroundings. Every effort is being made to bring in new members. Full information can be obtained from Bill MacGirr, telephone Aurora 293W.

Our fears that the Parks board might go mildly berserk by bulldozing the south end of the bowling green, and making a parking lot there, have not, fortunately, so far come true. We sincerely hope that our fears in that regard may never come true. The rise at the south end of the bowling greens provides a lovely green belt, which would be mutilated and ruined if a parking space were set out there. Besides, it would not be a pleasant experience for bowlers to look at a maze of cars as they picked up their bowls at the north end of the greens.

As we pointed out three weeks ago, little more needs to be done at the north end of the bowling greens and the south portion about the tennis courts, than to keep these spaces closely trimmed and neat. The south portion adjoining the tennis courts is an ideal parking space for bowling and tennis players' cars. The number of children using the north portion near the bowling greens is not sufficient to warrant any change in the layout, other than keeping it in well-trimmed condition.

Bowling Club
Appropos our remarks concerning the rejuvenated Tennis club, we are happy to state that the Aurora Bowling club is also getting off to a most promising start this year. Already several new members have signed up and more are coming in.

The greens are beginning to look at their best; and when they are looking their best they have no near rivals anywhere. The club surroundings are naturally beautiful and many are the appreciative comments we have heard from visiting bowlers from far and near.

Mr. W. A. (Bill) Morris is this year's president, with Mr. R. H. (Harry) Corner vice-president. Old-time bowlers, George Patterson, Leo Potter, Charles Fry, Herb Thompson, Cliff Bernardo, Bill Matheson and others are already in action. With the impending official opening of the season we shall have additional news in an early issue.

For Mount Albert Readers
Here is a true story which we must relate for our Mount Albert readers. It came from the lips of Mr. H. M. Marshall who is the Fuller Brush representative for this area and who resides at Keswick.

The other Saturday Mr. Marshall was calling on his Mount Albert clients and as he stepped into his car he absent-mindedly left his bag of samples on the sidewalk. It is not customary for Mr. Marshall to forget his bag of samples, worth approximately \$75, but he did do so on the occasion referred to.

He left his case on the side-

walk of the Main street at about 11 a.m. and returned to Mount Albert about 4.30 on the same day. He found his case of samples at precisely the same spot where he left it and the contents were, of course, intact.

Of Prince Albert, consort of Queen Victoria, it was said that he was "Albert the Good." Of Mount Albert it can be truly written: "Mount Albert the Honest." We feel sure our readers in this impeccable community will digest this true story with delight, and indeed the citizens in their entirety will hail with pleasure Mr. Marshall's salute to honest Mount Albert. The sample case might have contained half a million dollars, yet it remained untouched in its splendid isolation.

True Aurora Story
And here is another true story which readers of Aurora News Page will also hail with pleasure, we are sure.

Some years ago a Main street merchant started out selling approximately 15 copies weekly of the Era and Express. He did not always sell that number. Time passed and he was selling around 30 to 40 copies weekly. That number was later increased from 40 to 45 copies weekly.

As a result of the workings of destiny the Aurora News Page as part of the whole. The merchant found it necessary to increase his weekly copies to 60. This number was presently increased to 80 and then to 90 copies weekly. One day the merchant said we'd better make it 100 copies weekly.

Last week he scored up a record sale of 120 copies. A friendly rival merchant on the same Main street still held the record with a larger weekly sale of our paper. These are only two of our ten depots in Aurora where the Era and Express can be bought.

The list of our representatives is as follows: Yonge street north, Hudson's confectionery; Wellington street east, Mrs. R. D. Hodgkinson, and newsboy carriers; Frank Teasdale's grocery store; Main street, O. D. Hess, John Morning, B. G. Whitelaw and J. F. Willis; Yonge street south, Dal-Har Grill and F. D. Lacey's grocery store; Roy McIntyre, 23 Cousins' Drive.

Social editor for Aurora and district, Mrs. Roy Fierheller, telephone Aurora 477M, who will be glad to receive social and news items.

The Era and Express and Aurora News Page are now experiencing peak sales and increasing circulation, being far and away the largest weekly in North York. The explanation for this success is its fearlessness in opinion and reporting news.

Tribute to Mr. Harris
An important item of news which the Aurora Banner omitted from its last report of the Recreation commission, among other omissions, was a tribute to Mr. Illyd Harris, expressed by a member of the commission, Mr. W. Allen.

Mr. Allen said that Mr. Harris was doing a "wonderful job for the children and the town of Aurora." Commenting on the successes of his choir and pupils, Mr. Allen said that Mr. Harris had "put Aurora on the map."

For some reason or other the Aurora Banner missed that. Perhaps it was a news item that "the colonel" did not find interesting enough to "write up."

Interesting Draw
The Aurora Lawn Bowling club is arranging a very interesting draw which should interest lawn bowlers far and near. The first prize will be a set of four bowls in case; the second prize, a set of four bowls; and the third prize, a measure.

Further details concerning the distribution of tickets and the date of the draw will be announced later.

The Road to Newmarket
The "reporter for an out-of-town paper" is not a frequent visitor to Newmarket. He sends his "copy" and advertising three and four times a week by taxi to Newmarket to be printed, which is not as far away as Brampton, where the "home-town paper" sends its "copy" to be printed.

But we did visit Newmarket last week, after a month's interval. As we looked from our taxi window we were impressed by the great change in the look of the trees that had taken place in the space of four weeks. Then they were almost leafless; now they were fully-leaved and beautiful. The north road was a display of the miracles of spring.

PAGE ELEVEN

THURSDAY, THE TWENTY-NINTH DAY OF MAY, NINETEEN HUNDRED AND FIFTY-TWO

EDITORIALS

ACCEPTING THE VERDICT

On this afternoon of Tuesday, May 20, we have sent our last batch of "copy" on the liquor and beer vote away to be printed. Our last words on this vital issue have been written. The battle of the votes is still to come; but for us the vocal fight is over. We have given our sincere views on the question and can do no more.

If it should happen that a vote of the people does not endorse our views, we shall in that event accept the verdict without complaint. That is democracy as we understand it. We could ask for no better way of settling controversial questions.

It was open to us at the very start of the campaign to choose whether we would take sides or sit still and wait on events. For us the latter course would have been impossible. This was a question of the utmost importance. We are responsible for conducting a local newspaper and it is right that readers should know that paper's stand on local questions.

No one can ever say that we did not conduct a clean fight. It would hardly be necessary even to allude to such a matter had the self-styled "home-town paper" followed the same course. But to advance its cause it imported to its editorial page allegations that we opposed outlets in Aurora to benefit Newmarket which has none. An editor's standard of ethics must be judged by his willingness or otherwise to print anything that is offered him without ascertaining the truth. We leave it there.

A week from this date, we shall have voted "No" with those citizens of like mind and be thankful that we had the chance to do so.

"SLEEPING TABLETS"

In the article by Mr. T. F. Swindle which we published last week there is this sentence: "Unjust criticism soon dies a natural death but warranted criticism is an important part of the normal function of a democratic way of life."

Coming from a man who has constantly been a target for criticism in his public activities, the case for the critic could hardly be better or more generously stated. Mr. Swindle has rendered most valuable and enduring service to his community. The Aurora Recreation commission is a prosperous testimony to his indomitable perseverance in the face of early difficulties.

It has never been apparent to us why men holding public offices should resent their work being examined. If that work appears to be lacking in initiative, or shows incompetence, it is the duty of the impartial onlooker, the critic, to point out the deficiencies. That is "warranted criticism", and, as Mr. Swindle states, "is an important part of the normal function of a democratic way of life."

The way in which public men receive warranted criticism is in fact a proof of their sincerity or insincerity. If they are working sincerely in the public interest they will welcome it. If they are engaged in public activities for purely personal reasons they will resent the intrusion of the onlooker, the critic.

The more critical citizens themselves become in the study of public business, the better it is for their community. To ask questions and to comment about what is going on is a far more likely way of "getting things done" than to accept sleeping tablets from public representatives labelled "unwarranted criticism".

"SKITTLE-BOWLING" THE NEWS!

Readers would note in our report published last week of the proceedings of the Recreation commission, that when Councillor Jim Murray asked the news editor of the Aurora Banner to explain an inaccurate report which had appeared in that paper on May 8 she explained that while she had "reported" the meeting "the colonel wrote it up".

It was quite obvious to those who were present at the meeting that the "home-town paper" report was not accurate. It was not accurate for the reason that the substance of what took place between Mr. Murray and other members of the commission was not reported at all. The report was so truncated that Mr. Murray was presented to his fellow-citizens, whom he has served with great assiduity, in an entirely false light.

If, as claimed, "the colonel wrote it up," that second-hand reporter for the "home-town paper" certainly did a job of suppression. But suppressing the news isn't reporting it. It is robbing the reader of essential facts and misleading him to form incorrect conclusions. The whole picture at the Recreation commission meeting in question was distorted and misrepresented.

The evidence now provided, that "the colonel wrote it up", is further confirmation of our repeated assertions that "home-town paper" reports often distort and misrepresent the news. Yet it could well be that in its very next issue the "home-town paper" will again be boasting of its "ACCURATE news". "Consistency — thou art a jewel!"

OUTLETS REJECTED

Vote Of The People Shows "No" Majority, All Wards Record Turn-Out At Polls

A proposal to open liquor and beer outlets in Aurora was defeated Tuesday by a resounding vote when a record poll was taken. To the question: Are you in favor of the establishment of Government stores for the sale of liquor? 1,079 voted no and 846 voted yes.

To the question: Are you in favor of the establishment of Government stores for the sale of beer only for residence consumption? 1,065 voted no and 863 voted yes.

A total of 1,928 voters marked their ballots of a potential 2,200 for a record 87.6% turn-out. Those favoring the opening of the stores had to get at least 60 percent of the total vote. Those opposed to the stores had to ring up at least 40 percent of the vote. A total of 55% of the potential vote was cast against the beer

The result of the voting was as follows:

Ward	Liquor		Beer	
	Yes	No	Yes	No
1	151	175	161	167
2	166	207	166	206
3	249	352	248	353
4	169	189	174	185
5	103	140	106	138

SEEING FOR OURSELVES

An Inspection Of The Arena Reveals Holes In Roof And Cracks In Walls And Floors

When Councillor Cliff Corbett said that conditions at the Arena were "deplorable" we were impressed with the force of the term he used. He is not the sort of man who goes "off the deep end" unless he has cause for it. He is a mild-mannered, peaceable man. He has to feel angry before he uses strong words; and he certainly did show anger when he used the word "deplorable" at council during the Arena discussion.

Councillor Jim Murray has shown himself at council as a man who speaks quietly, briefly and effectively. He does not speak unless he has something to say and he does not speak unless he has the facts on hand. Like Councillor Corbett, he criticized the condition of the Arena and what he described as an "inactive board".

The Aurora Banner has shied away from Councillor Corbett; but it has put its spurs into Councillor Murray. Not that Mr. Murray will mind that, for he has ability and courage. Presumably it is because Mr. Murray has stuck to his guns that the Banner has sent up smoke-screens to "protect" the old members of the Arena board.

Councillors Corbett and Murray are right in their criticisms of the condition of the Arena. We believed them when we heard them. We believe them more since we have seen for ourselves what they were getting at. Three weeks ago we made a personal inspection of the Arena, from end to end and top to bottom. It is time, we think, that we told the citizens of Aurora exactly what we saw. It is time that the citizens of Aurora were told the cold facts about the condition of the Arena.

What We Saw
We inspected the Arena at the suggestion of Councillor Jim Murray. He said to us: "Why don't you go and see the place for yourself and then you'd know what it really looks like. I've made the same suggestion to the editor of the Aurora Banner."

Three weeks ago we went to the Arena. The roof has holes in it. Small holes but big enough to let the rain come through to the floor. In wintertime these droppings freeze on the ice and have to be removed with an instrument used for that purpose. The roof quite obviously is in bad shape.

Making our way through the building, we were surprised at the shoddy condition of the seating. There are apertures in the seating through which you can see old mother earth. It is evident that a process of splitting has been going on for a considerable period.

Proceeding to the end of the building, we came to the corridor at the east end. It is almost impossible to navigate one's way from the south side of the building to the north side along this corridor, which has dipped to an angle of approximately 45 degrees. It seems that the east end of the structure is dipping badly.

Making our way along the north portion of the building we came upon a gaping spot in the seating, and through it we saw a wooden beam which helps support the structure. The beam was once straight but now is curve-shaped. The curve has been created by the weight above. We would certainly not trust our life in that quarter of

Aurora Social News

Mr. J. F. Clarke gave a very interesting lecture and illustration on "Trees" in the United church parlors on Wednesday evening under the auspices of the Horticultural society.

The Ladies' Legion Auxiliary held a very successful euchre and bridge in their hall on Monday evening.

Mr. and Mrs. Ben Harrison returned this week from their visit to friends in Grimsby, St. Catharines and the United States.

A number of friends and neighbors attended the graduation exercises of Miss Jolyne Doolittle on Wednesday afternoon at St. Joseph's Hospital.

Miss Winona Warren of Toronto spent the weekend with her father, Rev. H. Warren, Spruce St.

We are pleased to see Mr. Roy Fierheller out again after having had a tonsilectomy in York County Hospital.

The Horticultural society held their annual tulip show on Saturday.

A large number of people enjoyed the music recital put on by Mr. Harris' choir in the United church on Monday evening.

Mr. and Mrs. Elmer Huntsburger of Toronto have been

spending the past two weeks with Mrs. Huntsburger's parents, Mr. and Mrs. Gordon Seaton.

Owing to inclement weather, the fireworks display, amateur wrestling, races and lucky draw which were to have been held in the town park on May 24 will take place on Friday evening, May 30.

Mrs. Clarence Doolittle attended the "Mother and Daughter Tea" held in St. Joseph's Hospital on Sunday afternoon. Each mother was presented with a lovely corsage.

Miss Grace Willis, now Mrs. G. D. Olds, who recently graduated from McMaster University, in winning her B.A. degree, took two firsts, three seconds and two thirds.

Mr. and Mrs. Archie Murray have been on a visit to Aurora for a few days from their country cottage at Lake Belmont, where they went shortly after their return from Florida.

The Misses Lena and Edna Corp of Toronto have been on a weekend visit to Mrs. B. Willis.

Mrs. John Klees has been invited to officiate as judge at the iris show to be held at Schomberg on June 7.

ZEPHYR

The Zephyr W. A. of the United church held their May meeting at the home of Mrs. A. Arnold, Ntmarket, on Thursday.

Mr. Harold Lockwood called on some friends in the village last Sunday.

The W.M.S. of the United church will hold their special missionary Sunday service on June 22 at 7.30 p.m. Rev. Mr. Thornloe will be our speaker and the Quaker Hill quartette will give special music.

Zephyr Sports Day will be held on June 28. Big prizes. Good program, dancing, bingo, midway shows, etc. Come and enjoy a happy afternoon and evening.

The W.M.S. of the United church will hold their June meeting on the evening of Wednesday, June 4, at the home of Mrs. H. Stark, 5th concession.

PINE ORCHARD

The Willing Workers of Union church are holding a social evening at the home of Rev. and Mrs. E. C. Doggett at Newmarket on Friday evening, May 30, at 8 o'clock. The congregation is cordially welcome.

Mr. and Mrs. Cecil Adair of Aurora were recent guests of Mr. and Mrs. Ross Armitage.

Willing Workers will meet at the home of Mrs. Delmar Preston on Wednesday afternoon, June 4, at 2.30 o'clock. Paper by Mrs. Walter Johnston, "Story of Hymns and Writers"; reading by Mrs. E. McClure; roll call, verses 7 and 8, Psalm 103, and favorite verse of poetry. A good attendance is hoped for.

Miss Beth Johnston is confined to her home with the mumps. Best wishes for a complete recovery.

Mr. Frank Sheridan has sold part of his farm to Mr. Baker of Stouffville.

The musical festival (of which Bogartown school is a member) will be held on June 3 at Newmarket high school auditorium at 8.30 p.m.

The Willing Workers will meet on Friday evening at the home of Rev. Doggett on Prospect St., Newmarket. A devotional meeting was followed by a social evening. All Pine Orchard Union church families and others are welcome.

Mr. and Mrs. Clarence Atkinson of Bethesda were Sunday night tea guests at the home of Mr. and Mrs. M. Sheridan.

Miss Shirley Breedin had Thursday dinner with Mrs. Wm. Glover and children.

Mrs. G. McClure and Mr. E. Madill returned home on Sunday after spending a few days at the home of Mr. R. Jewett, Kettleby.

Sorry to report Master Jerry Harper, little baby son of Mr. and Mrs. Roy Harper, is still confined to the Sick Children's Hospital, Toronto. At time of writing, a little improvement is reported by his mother.

Mrs. Gardner Sr. of Toronto is spending a few days with her daughter and family, Mr. and Mrs. Wm. Glover.

Mr. and Mrs. Wm. Walker, Patsy and Louise Walker were Sunday dinner guests at the home of Mrs. Clark, Ravenshoe.

Guests at the Greenwood home for the 24th included Mr. and Mrs. Torrence Pipher and sons Harold and George, and two daughters, Marjorie and Catharine Pipher, also Mr. Archie Pipher, all of Stayner, also Mr. and Mrs. H. Cole and Guy of Ravenshoe.

ANSNORVELD

Rev. Van Kooten of Hamilton conducted the service at the Christian Reformed church here.

Miss Kastelein and Miss Wieringa of London were guests at the home of Mr. and Mrs. Marits for a few days.

Out of town guests for the Matthews-Havinga wedding included nine of Mr. Havinga's children. This was the first time in 23 years that so many of the family were together. They were Miss E. Havinga, R.N., of New York City, Mr. and Mrs. P. Turckstra of Hamilton, Mr. John Havinga of Alberta, Mrs. Klemm of Toronto, Mrs. Snee of Chatham, Mr. Fred Havinga of London, England, Mr. and Mrs. Ralph Havinga of Windsor and Mrs. T. Miedema, residing on the Holland Marsh.

ELMHURST BEACH

Mr. and Mrs. Webber and baby are visiting Mrs. Webber's parents, Mr. and Mrs. W. Lunn. We regret to hear the baby is quite ill.

The baseball season will soon be in full swing. The boys will be pleased to have your support at the games.

Mr. Glen Sedore is at the Toronto General Hospital, taking treatments. His address is Ward 11, Dunlop Bldg. He would be pleased to hear from his friends.

Mr. and Mrs. McIndoo have moved up for the summer to their cottage.

Mr. and Mrs. Frank Mack called on Mr. and Mrs. Selby Sedore recently.

Miss Marilyn Prosser, Mr. Jack Prosser and Mr. K. Ball called at the home of Mr. and Mrs. Lloyd Pollock on the holiday.

Doris Pollock spent the holiday weekend at home.

SHARON

Service at St. James' Anglican church will be held at 2.30 p.m. each Sunday until further notice.

Service at the United church, starting this Sunday, June 1, will be held at 9 a.m. during the month of June or until further notice. Sunday school will be held at 10.15 a.m.

The Misses Evelyn and Violet McDonald, of Toronto, and Mr. J. McDonald, Orillia, were weekend guests of their uncle, Mr. C. H. Wright.

Recent guests of Mr. and Mrs. Welly Stevens were Mr. and Mrs. Richard Thompson, also Mr. and Mrs. Gerald Wellar and son of Toronto.

Mrs. Merton Shaw of Hamilton spent the weekend with Miss Nora Shaw.

Mr. and Mrs. Carl Vernon and Robert visited Mr. and Mrs. Jack Vernon at Milton on Sunday.

Aurora News Page

Page 12

Thursday, the twenty-ninth day of May, nineteen hundred and fifty-two

HORTICULTURAL SOCIETY

A meeting of the Aurora Horticultural society was held in the United church parlors on Wednesday, May 21, when the special speaker was Mr. John F. Clarke of Toronto.

Mrs. John Klees introduced the speaker whom, she said, she had known for over 30 years and knew him to be an outstanding authority on horticulture.

Mr. Clarke, who is employed in the horticultural department of the department of agriculture, spoke on the subject of "Trees", illustrating his lecture by the showing of many fine films.

About 40 members of the society were present at the lecture, which was greatly enjoyed. At its conclusion Miss Hamer expressed the thanks of those present to the speaker.

A musical program was provided during which Mrs. Grimshaw and Miss Leila Reynolds rendered duets.

SEEKING FOR OURSELVES

(Continued from Page 11)

the building they were both on sure ground. We have proved that by a personal inspection. If anybody doubts this he should go and take a look for himself. That, we imagine, is the right of every citizen.

J. G. S.

KETTLEBY

There will be no service in Christ church, Kettleby, on Sunday, June 1. All members of the congregation are asked to attend the mammoth "Service of Witness" which is being held in the Maple Leaf Gardens at 7.30 p.m. under the auspices of the Anglican Synod which is celebrating its 100th anniversary this year. For those who have no other way of transportation, a bus will be leaving from Schomberg. For particulars about this, get in touch with the vicar, Rev. F. V. Abbott.

There is also a special service for Sunday school children being held in St. James' Cathedral next Sunday, June 1, at 2.30 p.m. All congregations are asked to see their children attend this mass meeting if possible.

On Sunday, June 8, Rev. F. V. Abbott will be preaching his farewell sermon, so we hope all our members will be present. The service is at 3 p.m.

Christ church Ladies' Guild held their monthly meeting at the home of Mrs. Bob Archibald on Tuesday, May 20. We were all delighted to see our new president, Mrs. E. Wood, conduct the meeting after her long absence with an injured foot.

A quilt was finished during the afternoon.

Little Miss Doris Wood was our pianist for the hymn. Hostesses were Mrs. P. Muirhead, Mrs. E. Wood and Mrs. R. Archibald.

Weekend visitors at the home of Mr. J. W. McLaughlin were Mr. and Mrs. Don McLaughlin and Donna from Lindsay, and Mrs. L. McLaughlin, John and Mary from Toronto.

Miss Donna McLaughlin won first prize for singing in the musical festival recently held in Lindsay. There were 43 competitors in her class, aged 11 to 18 years. Donna is 11 years old.

Mrs. Leslie Wilson, Toronto, spent the weekend with Mrs. S. Heacock.

Mr. and Mrs. Ernest Blatchford motored to Montreal and spent the weekend with Mr. and Mrs. Jack Cummings.

Mrs. Ralph Darker, Toronto, was a weekend guest at the home of Mr. and Mrs. Anson McClusie. Mrs. Dunn, Alliston, spent a few days with her sister, Mrs. Frank Billings.

Rev. J. Hummel of the United church exchanged pulpits with Rev. C. E. Cragg of Toronto last Sunday evening. Rev. Cragg preached a masonic sermon.

Rev. and Mrs. C. E. Cragg had Sunday evening dinner with Mr. and Mrs. Wm. Hodgson.

Miss Beatrice Clarkson, Lansing, who recently returned from Bermuda after spending two weeks, spent a few days visiting relatives in the neighborhood.

Anniversary services at Baptist church will be held on Sunday, June 8, at 11 a.m. Special speaker will be H. S. Hillyer, B.A., B.T.H., D.D., Associate Secretary of the Foreign Mission Board. Special music will be provided.

Mrs. Barbara Hickey of Peterborough, Mrs. Hulda Creedon, Miss Gertrude Blackburn and Mr. Paul Hickey of Toronto were Sunday visitors of Mr. and Mrs. Leo Blackburn.

Mr. and Mrs. Harold Fuller, Schomberg, were Sunday evening visitors at the home of Mr. and Mrs. Gordon Cook.

Mr. and Mrs. Earl Cook spent Sunday in Aurora with Mr. and Mrs. Wm. Mount.

26 AT ADVANCE POLL

In order to accommodate those voters who would be out of town, or whose business or other engagements would make it impossible for them to vote on Tuesday, May 27, on the liquor and beer outlets for Aurora, an advance poll was held on Friday, May 23.

The hours of voting were from 9 a.m. to 6 p.m. and from 8 p.m. to 11 p.m., (D.S.T.). Few voters made their appearance in the

THE HARRIS RECITAL

Listeners Thrill As They Hear Outstanding Recital At Aurora United Church

Perhaps the best comment one could make on the Harris choir and pupils would be to confess "not knowing where to begin". Any attempt to describe beauty always ends in failure. Any attempt to describe the exquisite renditions given at the United church on Monday night, May 26, would end in failure. One has to hear these choirs to appreciate the beauty of their singing.

A great many people did hear them on Monday night. The repeated rounds of applause given the work of the choir and pupils during the whole uninterrupted two hours' recital must have convinced even Mr. Harris himself how greatly his listeners appreciated the beauty of the singing.

There were two unforgettable numbers from the choir: "Lead Kindly Light" and "Now the Day is Over." These renditions reached a quality of sublimity. Unaccompanied, the choir under Mr. Harris' sensitive and skilled direction sang these numbers beautifully and movingly, with a time-precision that was nothing short of the marvellous.

The recital was a masterpiece of variety. It ranged from the gay to the tearful; from the martial air of "The Two Grenadiers", sung powerfully by Richard Holborn, to Bach's "O Saviour Sweet", tenderly rendered by young Patrick Green.

It would be invidious, however, to single out names for special mention. The impression the listener gained at Monday night's recital was the great amount of potential singing talent with Mr. Harris has gathered around him.

One abiding impression every listener and spectator must have taken away, and that was the marvellous union of the choir renditions without accompaniment, except the sensitive controlling hands of the conductor. This union was the outcome of expert training and the enthusiasm of a conductor whose ideal

AURORA WEDDING

Grace Beverley Willis, younger daughter of Mr. and Mrs. J. F. Willis, Aurora, became the bride of George Donovan Olds, son of Mr. and Mrs. Howard Olds of Hamilton, in a double ring ceremony in Trinity Anglican church, Aurora, at noon on May 24. Rev. K. D. Whinnough officiated. Given in marriage by her father, the bride wore ivory taffeta with French lace trim, and carried an ivory prayer with streamers of ribbon and stephanotis, and headress of fern and stephanotis.

Her attendants were her sister, Mrs. George Kirk, and niece, Margaret Willis, both in turquoise taffeta. Mr. Fred Olds of Sarnia was his brother's best man.

The bride's mother received at Ridge Inn in honey beige with brown accessories, assisted by the groom's mother in blue with gray accessories.

Among the guests were Mrs. Olds, grandmother of the groom, who flew from Cleveland, and Mrs. Willis, grandmother of the bride.

J. F. Willis, Jr., was at the organ, and the Lord's Prayer was sung by Mr. F. Rowe.

AURORA TENNIS CLUB

A meeting of the Aurora Tennis Club was held May 21 and plans were made for the opening rally being held Saturday, May 24. Junior members will begin play at the courts at 1.30 p.m., and play will continue on during the afternoon.

In the evening a social time will be held for all interested in the club, and a good program has been planned. The club plans to have attractive crests, and these may be purchased for 35c from anyone on the committee.

The deadline for memberships to be paid has been set for June 15. A charge of 50c a day will be made for non-members wishing to use the courts when available.

Beginners' lessons are underway, and anyone wishing to start should be at the courts at 6.30 p.m. Monday evenings for juniors, and 7.30 for seniors, also Saturday morning at 10.30.

The club is still in need of donations of used tennis rackets. Get in touch with Bill MacGill, Phone 293w or Mrs. Mae Gerrow at 246m.

morning or afternoon, most of the polling taking place in the evening hours.

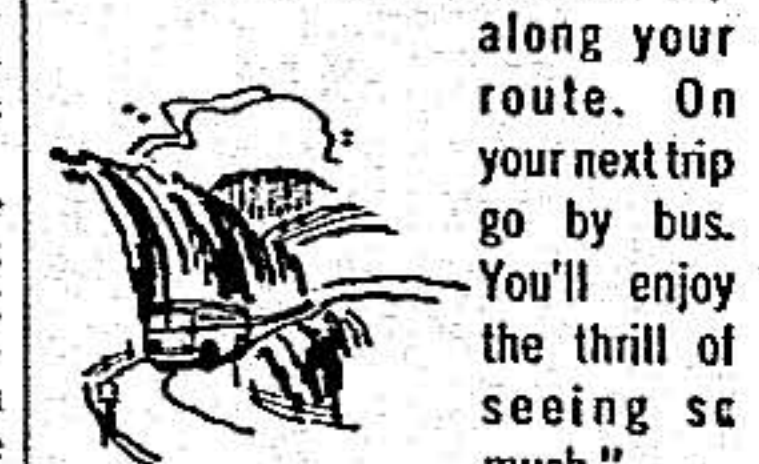

It is reported that only 26 voters appeared at the advance poll.

YOU BUY THE
MOST EFFICIENT
MOST PROFITABLE
WORKING FORCE
when you invest in
up-to-date power
farming machines

Making use of up-to-date equipment to get more work done with less help is the most efficient and the most profitable way to operate a business.

In farming as in other industries power mechanization steps-up production,

increases the output of available manpower, and keeps costs down. The steady adoption of new machines to replace worn out or old-style equipment is an investment that pays off in easier more profitable farming.

In Massey-Harris machines you get the latest in equipment built to save time, save labor, and save money. Your local Massey-Harris dealer will be glad to give you full particulars.

Kingcrafts Sale of Work

Those who attend Kingcrafts first sale of work, June 4, at "Kingswood", the home of the president, Lady Flavell, will be highly pleased with the excellent quality of workmanship which will be found in attractive booths. When they see what the weavers, ruggers, smockers and leathercrafters have been able to produce, they will realize that the organization, founded less than two years ago, has had nothing but best work as the objective. They will see that design, color and individual taste have made the craft a pleasure for 100 workers. The sale opens at 2.30 in the afternoon and there will be a quantity of beautiful work, with something for everyone. In addition there are metal and wood pieces done by the TeenCrafters, home baking, old silver, copper, brass, china, etc., in the Caledonia Market, choice flower plants ready to set in the garden. Mrs. Geoffrey Beatty, sale convener, is well pleased with the quality and contents in the various lines.

There will be demonstrations in spinning and rug hooking. At 4 o'clock, Sir Ellsworth Flavell will draw the raffle tickets for the six beautiful articles made by the crafters. Afternoon tea will be served.

Because of the hazard of the swimming pool and the lake at Kingswood, it is with regret the executive has had to adopt a policy that children under 14 years of age cannot be admitted to the grounds.

Transportation to Kingswood
Transportation by bus has been arranged for those planning to attend Kingcrafts work sale on Wednesday, June 4, at "Kingswood", the home of Sir Ellsworth and Lady Flavell. At 2.15 Langdon's bus will leave the village and will return around 5 o'clock at the conclusion of the sale. The bus charge is 50c.

Brownies' Local Association
On Thursday evening (tonight) the local association which works in the interest of First King Brownie Pack, will hold the year-end meeting at the home of Mrs. Gordon Tetley, at 8 o'clock, to elect officers for the coming year and to hear reports of the activities and accomplishments of the pack since organization last November. The results of the cookie sale will be announced. Mrs. Tetley is the L. A. chairman.

Is It The Species?
Tulips blooming in a garden in King City show a peculiar trend. Of large double variety, there are two single petals resembling small leaves, bearing the same coloring as the flower on the stalk, just beneath the bloom. Often the tip is slightly tinted, and the remainder is a bright green. While on others this odd shaped leaf-petal is splashed with color. Strangely enough, they are seen on the rose colored tulips while those bearing yellow blooms are quite normal.

To Teach In Aurora
Mr. George Billings, who has been teaching school at Bond Head, has taken a position on the teaching staff of Aurora public school.

Mr. and Mrs. Stan Hunter were present at Woodbine races last Saturday to see the winning of the Queen's plate.

Mrs. James Ball of Eversley, who has been in bed for the past three weeks from high blood pressure, is able to be up for a few hours every day and is improving generally.

Mr. and Mrs. James Armstrong motored to Brechin on Friday to spend the weekend at their cottage there.

Miss Kay Clark entertained as luncheon guests last week Mrs. Elmer Lewis of Jackson, Michigan, and her sister, Mrs. Ivan Moffit, and Mrs. Follis Scott of Toronto. Mrs. Lewis' husband, Dr. Lewis, attended a surgeon's convention held in Toronto the previous weekend.

During the weekend, Mr. and Mrs. John Hiseborough, John and Anne, visited Mr. and Mrs. Bert Daley at their Aurora home. They met while on board ship from England to Canada in March, 1951. They became fast friends as new settlers in Canada.

A son was born to Mr. and Mrs. Joe Ball, 5th line, on Mother's Day, May 11, at Schomberg nursing home. Joseph and Billie are the elder children, while Frank and Dorothy Adamson are Mrs. Ball's children by her first husband.

Miss S. Deitch of Toronto spent the weekend with her friend, Miss Carole Muske.

School Boy Write to His Pilot
Joe Deane, 13, a pupil at Sacred Heart Separate school, fifth line, King, wrote a letter to Ftl. Lieut. Ab. Vickers of Watford, as soon as he learned that he had made a crash landing in his Vampire jet plane near Port Hope on Sunday, May 18. Vickers is with the 400 Reserve Squadron, Toronto, for whom Joe has been praying daily since the students of the school "adopted" the 42 airmen of the City of Toronto Squadron and 411 RCAF Auxiliary Squadron last March. The officer received only a few scratches and a sprained ankle when his aircraft was completely wrecked.

"Ftl. Lieut. Vickers is my special pilot and while I pray for all of them, like my fellow stu-

dents do, I say very special prayers during the weekend for that is the time when the airmen are on flying duty," said Joe. When he wrote to his airman, Joe told him how glad he was his life had been saved. "I didn't say much about the crash landing he made, I just wrote a few lines to let him know I was thinking of him."

Early in May, Joe had received a letter from Vickers after he had written his first letter from the school, which followed the crash of two jets in the vicinity of the school on March 8.

"I expect to hear from my pilot very soon, for he promised to send me a picture of himself and I certainly hope to get one," declared Joe who is looking forward to the time when he can meet his airman in person. Joe is the son of Mr. and Mrs. Walter Deane and a pupil of Sister Mary Fleurette who inspired her pupils to establish prayer partners with the airforce men.

Helpers Needed For Church Vacation School

A second meeting to continue planning the program for the Church Vacation School in July has been called by Rev. D. C. Witherspoon, for Thursday, May 29 (tonight) at Bethel Baptist church at 8 p.m. While there were only a few present at the first meeting last week, it was decided that the school would begin after July 14. The executive hope to have classes in King school.

Unfortunately, several leaders who assisted last summer are unable to act this year. Anyone interested in helping will be welcome. Mr. Witherspoon should be notified as soon as possible. Last summer 11 leaders conducted the school for 108 children and an increased enrolment is anticipated now.

Robertson Lodge Praised

The annual inspection of Robertson Masonic Lodge A.F. & A.M. by Grand Lodge officers of Toronto district "D" gave satisfaction to Ruling Master, Wor. Bro. Harry McBride, when the work of the organization and the affairs of finances were declared in perfect order before a gathering of 130 at King Masonic hall on Monday, May 19.

Inspecting the work was Wor. Bro. Robert M. Cleave Hooper, district deputy, assisted by Wor. Bro. Archie Jamieson, secretary to the deputy. Visitors represented several grand lodge officers. At the conclusion of the ceremonial inspection, Mrs. Harry McBride, with the wives of officials and members of Robertson, served supper to the gathering.

Seven Quilts in Mission Sale

When St. Andrew's W.M.S. packed the annual mission sale this month at the home of Mrs. Kate Porte, there were seven quilts, a pair of blankets, a homespun wool blanket and two baby blankets, besides many knitted articles for infants, children and men's socks, and some good used adult clothing. The value of new goods was \$88.64. Mrs. Black, the president, pieced and quilted five of the quilts while Mrs. Porte, Mrs. McCallum and Mrs. Farren, at King, made the others.

Mrs. E. Johnston and son, Dr. Eric B. Johnston, entertained at a tea on Sunday afternoon to introduce Miss Barbara Boehm and her mother, Mrs. Ralph Boehm of Grimsby, to friends from out of town. During the afternoon over 90 guests called, including visitors from Toronto, Guelph, Sault Ste. Marie, Port Arthur, Calgary and London, England. Dr. Johnston and Miss Boehm will be married in St. Andrew's church at Grimsby on Saturday, June 14.

Mrs. Frank Young of Winnipeg spent several days at the home of her cousin, Mr. A. W. MacLellan, Eversley Farm, 3rd line, and while there Mrs. Ursula Shields entertained a number of friends for an evening before Mrs. Young left for Ottawa to visit her daughter who has just come home from a trip abroad.

Mr. Harvey Follitt entered Weston Memorial Hospital on Monday for a check-up.

Despite inclement weather on May 21, 100 registered and many more attended the annual meeting of Section 3, Toronto West W.M.S. Presbyterial at Knox Presbyterian church, at Elders' Mills, Vaughan, when Mrs. T. L. Williams, vice-president, was in the chair. It was reported an exceptional conference. Others from here attending were Mrs. J. Phillips, Mrs. R. Farren, Mrs. C. A. Black, Miss Fred Curtis, Miss A. A. Ferguson and Miss Jessie Gellatly.

Mrs. Williams spent a few days at the weekend with her daughter, Mrs. Don Merchant, Toronto, who celebrated her birthday on May 22. On Wednesday night, June 4, Mrs. Williams will be attending a dance recital of the Robertson School of Dancing of which her little granddaughter Jackie Merchant, is a student. The affair will be held in Eaton auditorium.

David Camden held a party on May 22 on his seventh birthday when his mother, Mrs. Keith Camden, invited Billie Wannamaker, Clayton McKay, Dennis Guthrie, Billie Kee to join with David and his cousin, Judy Wells, for games and refreshments. On the holiday weekend the Camdens, Mrs. Wells and Judy motored to Cresswell to

visit Mrs. Camden's mother, Mrs. Wm. Orvis. As Saturday was Mrs. Camden's birthday, there was a party for her at her mother's home.

Misses Clare Magee, Pat and Marie Deane entertained 30 neighborhood friends in the auditorium of Sacred Heart school recently for Miss Doreen Loveless of Aurora, giving a miscellaneous shower for the bride-elect whose marriage to Eddie Curran, Mount St. Francis, takes

place this Saturday in Sacred Heart church. Miss Loveless received many lovely gifts. A stag party was given for Mr. Curran at the same time at the home of Mr. and Mrs. Walter Deane by Don, Frank and Mike Deane. A presentation was made to Eddie from his friends.

Father and Son Banquet

Sixty are expected to attend the Father and Son banquet held for the scouts and cubs of the district on Friday, May 30,

at 6.15, at All Saints' Anglican church. The guests will be the fathers of the boys, the group committee and secretary, district commissioner, Mr. Frank Worth, district cub master and mistress, Mr. and Mrs. Cecil Smith, leaders of the local troop and

pack and the clergy. Scoutmaster George Harvey will show a 40 minute movie entitled "The Boy Who Stopped Niagara Falls." Mr. Worth will address the gathering. Initiation of the scouts will be held during the evening.

To Discuss Fire Protection

A resolution to interview King township council regarding the establishment of a fire area around King City was approved by village trustees on Monday night.

The problem was whether the village could finance the purchase of a fire engine, or should it be referred to a defined area in and about the village. In the opinion of chairman C. G. Wells, the village would not be able to stand the cost of heavy fire fighting equipment which would necessitate the building of a heated fire hall. "We have a school debt of \$30,000, and waterworks debt of over \$50,000 to carry. It is doubtful if the municipal board would approve additional expenditure for costly equipment," he stated. Establishing a fire area would mean costs would be borne by a greater number of taxpayers.

The purchase of a portable pump would raise the water pressure, where the 2-inch hose owned by the village would prove adequate until the Aurora fire department arrived, one trustee stated. "If heavier equipment be installed, which is likely to cost upwards of \$15,000, the township would have to come into the picture." A small pump would cost around \$500 and had one been used at the outset of Green's store fire, a great deal of damage would have been avoided, a local fireman pointed out. While there is abundance of water at King, and hydrants are easily available there is a vari-

ance of pressure. An out of town fireman points out that this condition arises where stand pumps are not set on elevations.

The urgency of a village siren was stressed by village trustees. Investigation will be made regarding the type used by Maple village. Had there been public means of alerting citizens of the recent fire at Green's, a quicker response by more people would have been given. It was suggested that Armstrong's corner is the logical location. The Bell Telephone Company does not permit fire signals being flashed on its telephone lines.

Subdivision Hookup

The village will pay for the hookup of water to Heritage Park boundary from Keele St., subject to approval by the township engineer that all specifications have been met. This decision was reached by village trustees after the owners, Mrs. Mattie Jackson and Mr. Jack Hambley, stated they will install watermain pipes on the first street, east and west in the subdivision. Mr. Hambley said a contractor's price is \$3.00 per foot with labor and material included. The village would be required to give a hookup of about 205 feet which would entail over \$600 to the village plus the cost of a T-pipe. The burning question is "are we going to connect with subdivisions?" said trustee Wells. "If we want the village to go ahead and develop we can't do anything else," commented trustee Wm. Carson.

"COLORS FOR EVERYONE"

WITH SUPERIOR SHERWIN-WILLIAMS INTERIOR FINISHES

ENAMELOID — Wonderful high gloss enamel for furniture, woodwork, bathrooms. Beautiful gleaming finish for long wear on interior surfaces. Many attractive colors.

Ask your Sherwin-Williams dealer to help you with your painting and decorating problems... he has "Colors for Everyone."

Let's get down to the Solid Facts!

Chevrolet Trucks Can Save You Money All Along the Line

RUGGED and Thrifty too!

A GENERAL MOTORS VALUE

Fact No. 1

More Truck for Your Money

Check the comparative value of Chevrolet trucks, and you'll see for yourself how Chevrolet gives you far more for your money. In design, in craftsmanship, and in every last detail of their construction, Chevrolet trucks are engineered and built to unsurpassed standards of value.

Fact No. 2

Rack-Bottom Operating Costs

Many thousands of truck users have proved to their own satisfaction that Chevrolet costs the least of all to own and maintain! Valve-in-head economy, in the 92 h.p. Thriftmaster, 105 h.p. Loadmaster, 114 h.p. Torquemaster and 120 h.p. Workmaster saves on gas. Chevrolet's special 4-way engine lubrication system reduces wear, keeps oil costs low.

Fact No. 3

Engineered and Built for Your Loads

Chevrolet trucks are engineered to your payload requirements. You don't waste money by buying "too much truck" — you don't risk work interruption or slow downs by buying "too little truck." Frame, axles, springs, body, brakes, and power are part of a well-balanced team that does the job at lowest cost.

Fact No. 4

Lower, Slower Depreciation

Records show that Chevrolet trucks consistently bring more money at re-sale or trade-in than any other make of trucks which cost about the same when new. Chevrolet's market value stays up because the value stays in. Here is further evidence that Chevrolet is the best truck buy — and that's why more truck users buy them!
